**NEVER HAVE SEEN  
A DOG OR A CAT**

Children in War - Scared  
Europe Never Ever Hear  
the Birds Sing.

When you grinned at the six-year-  
old son of the house romping in the  
yard with his dog, or watched his  
small sister carefully dividing her at-  
tention between ribbon bows for the  
house "baby" and the robin on the  
lawn, did it ever occur to you that  
somewhere in the world there are lit-  
tle folks of the same age who have  
never seen a dog nor a cat nor heard  
a bird sing. Yet, there are some  
hundreds of thousands of youngsters  
in war-stricken Europe to-day who  
are ignorant of the existence of the  
furred and feathered creatures which  
help to make a Canadian kiddie's day  
worth while.

Jewish relief workers who have re-  
turned from the Eastern and Central  
European countries cite the absence  
of domestic animals and birds to il-  
lustrate the desolate barrenness of  
the countries that were swept again  
and again by the warring armies for  
nearly five years. Jacob Bushkin, who  
had charge of unit for the Joint  
Distribution Committee, the sole  
agency disbursing relief funds raised  
by the Jewish Relief Council Com-  
mittee, the Central Committee for Re-  
lief and the Jewish People's Relief  
Committee, has described the condi-  
tions there.

"In that bare stretch of country  
where there are scarcely any trees,  
no habitations other than the miser-  
able dug-outs in which returned refu-  
gees exist, and 'no man's land' of  
Poland—we did not see a single cat  
or dog, and in all the time we were  
there we never heard a bird sing.  
Animals have swept bare the country  
and clothing come are made to do  
their housing problem with the pack-  
ing boxes in which relief supplies  
have been sent to them, according to  
reports received by the Canadian Jew-  
ish War Relief Committee from relief  
workers abroad.

Not only is every particle of food  
and clothing used to the utmost ad-  
vantage in these stricken lands where  
6,000,000 Jews are at the point of  
starvation, but the cans and sacks  
and wrapping cases in which the food  
and clothing come are made to do  
duty as well. There is neither lum-  
ber or nails in most of the countries  
of eastern Europe at present, and  
the packing boxes are handled as if  
they were the finest mahogany, when  
the shipments arrive. Not a nail is  
allowed to go to waste, when the  
boxes are taken carefully apart.

All over eastern Europe at present  
men, women and children, many of  
them sick with typhus, are living  
in cellars, in devastated houses, in  
old outhouses, on roofless plat-  
forms, in the ruins of their fields,  
unprotected from the elements. The  
children of these destitute Jews, con-  
sisting for the most part of the rag-  
ged little ones who have worn for the  
years of the war, afford them little  
warmth.

For this reason, the packing boxes,  
which might not be considered particu-  
larly luxurious, are at another time,  
are welcomed as life-savers just  
now. Boards from them are used to  
re-build broken houses, and even to  
make lean-to shelters where no  
building stood before. Some of the  
smaller boxes are piled one above the  
other, like children's blocks, and  
nailed together, to serve as temporary  
houses.

**MOTHERS PRAY THAT  
BABIES MIGHT DIE**

Suffering Among Jews is So  
Bad That Death Alone  
Gives Relief.

Mothers begging for death to re-  
lieve their children's suffering, was  
the most tragic thing seen by Leo  
Wolfson, New York attorney and  
journalist, in seven weeks spent in  
Roumania, Galicia, Bessarabia and  
Bukovina. Mr. Wolfson, who has  
just returned to New York, made the  
trip in order to study political condi-  
tions in these countries.

"There are one and one-half mil-  
lions Jews in this section of Eastern  
Europe who are in immediate want,"  
declared Mr. Wolfson. "In every  
town I visited, I saw starving, naked  
Jews stretching out their hands to  
passers-by for a piece of bread."  
"They hardly look like human be-  
ings. All one sees are living skele-  
tons, covered with yellow skin. The  
children are small, worn-out, fright-  
ened, little creatures, who just drag  
themselves aimlessly around.

"How they will live through the  
winter, no one knows. No one can  
begin to describe this picture of  
misery and want. But one can get  
an idea of it, knowing that mothers  
are actually praying that death take  
their children to relieve their ter-  
rible suffering."

The natural gas investigation com-  
menced before Provincial Commis-  
sioner Estlin at Sarnia.

**DOCTOR WARD, The Specialist**

SPECIALIST IN THE TREATMENT OF NERVOUS CONDITIONS, NERVE EXHAUSTION, BACKACHE, LUMBAGO, RHEUMATISM, STOMACH AND LIVER TROUBLES, ACNE, SKIN DISEASES, CATARRH, ASTHMA, RECTAL TROUBLES, PILES, FISTULA AND BLOOD CONDITIONS. The knowledge gained from many years' experience in treating diseases just like yours is of much benefit to you and assures the ailing man of prompt relief. When a man knows that he is again feeling well—that he is rid of his ailment—he feels that a heavy load has been lifted from his shoulders. I give every patient the benefit of the knowledge acquired through the long experience of a graduated, licensed and registered specialist, in order to bring about the most satisfactory results in the shortest possible time.

**NERVE EXHAUSTION**

A CONDITION AFFECTING MANY MEN—THE GREAT AMERICAN DISEASE—IT IS BROUGHT ON BY OUR MANNER OF LIVING—OUR WORRY AND HURRY—AMERICANS EXHAUST MORE NERVOUS ENERGY THAN ANY OTHER RACE OF PEOPLE.  
There are a great many men who need treatment for their nervous system. These men do not know what is the reason they don't feel right—why they can't work like they used to—why they tire so easily and why they are irritable, nervous, despondent, weak, pale and lack ambition. These conditions require the expert knowledge and treatment of a specialist who has had many years' experience in just such ailments. A specialist learns by experience to know just the right treatment at the right time so that the patient can be dismissed at the earliest possible time. Men affected with nervous exhaustion have no endurance—no ambition—everything they attempt is an effort. Life to them appears as a long, gloomy future. Their appetite is poor and variable—they become irritable, cross and discouraged. They have pains and aches in various parts of the body and there is often indigestion and pains in the stomach. Sleepless, wakeful and restless nights follow.

**RHEUMATIC AILMENTS**

SCIATICA AND OTHER FORMS OF RHEUMATISM, LUMBAGO, PAINS IN BACK, SWELLING, AGING, PAINFUL CONDITIONS IN ANY PART OF THE BODY—INFLAMED AND SWOLLEN JOINTS OF LEGS AND ARMS—MANY OTHER SYMPTOMS.  
Hundreds of men are suffering with some form of Rheumatism. Many of these men go from day to day suffering untold agonies thinking they cannot be cured. They have tried liniments, rubbing, massage, salts and other treatments without experiencing any relief, and they are now going through life thinking they are martyrs to that burden called Rheumatism. If these men would only know how easy it is to get rid of many rheumatic conditions I know they would not suffer another single day. Then all sufferers of rheumatism would be strong and healthy if they could get rid of the condition. Rheumatic patients are nearly all strong and robust before being attacked by this ailment, and therefore it is so hard for the man to understand why he should suffer the agonies of such a condition. When a man gets rid of such a condition he feels that a heavy burden has been lifted from his life, and he starts right out to make up for lost time both in money and pleasure. When a man comes to my office suffering with the above condition he is given a most careful examination, and he is given treatment that he feels is giving him great benefit.

**Quick and Lasting Results Assured the Ailing Man**

**BLOOD** YOUR WHOLE HEALTH OF BODY AND MIND DEPENDS ON YOUR BLOOD. Any "building process" of the body and mind, of the muscle and tissue formations, of any of the various vital organs, can be accomplished only by working direct through the blood stream.
