Look. Read. Realize!

We cater to the men's trade, and no other. If you were sick you wouldn't call to see a Tailor, or a Blacksmith, about the condition of your health. Of course not; you would call to see a Doctor.

If you wanted a Suit or an Overcoat would you go to see a Doctor, or a Shoemaker? Not at all. You would go to see a First Class Tailor.

WELL, there's where we shine!!!
We study the business. We know what suits a young man we know what suits a middle-aged man, and we know what suits the old gentleman—both in goods and in style. It does not make any difference whether you want your clothes Ready-to-Wear, or Made-to-Order. We are equally in a position to suit you. We do not let a suit or overcoat leave our establishment until it suits and fits the man who is buying. Our prices are always right when you take the quality into consideration.

Do not forget that we are sole agents for the famous W H Leishman & Co., Wholesale Custom Tailors. We have an elegant stock of Overcoats to show you at the present time.

Overcoats, Made-to-Order—from... **\$30.00 to \$48.00**

Overcoats, Ready-to-Wear..... **\$15.00 to \$36.00**

Success Is a Habit

Our habits make us. We are creatures of habit. Whether we are a success or a failure is a question of how we do things without thinking. To Save is the only way to success

Gloves

We have just the kind of Gloves you need, lined and unlined. Also Wool Gloves for this time of year. Suedes and Tans—both combination. Price..... **\$1.00 to \$4.00**

Minard's Liniment Co. Limited.

Gentlemen,—Last winter I received great benefit from the use of MINARD'S LINIMENT in a severe attack of LaGrippe, and I have frequently proved it to be very effective in cases of Inflammation. Yours,
W. A. HUTCHESON,

Unity and Co-operation.

The results of the first session of the League of Nations are eminently satisfactory, Sir George Foster tells the Star, upon returning to London. A splendid spirit of unity and co-operation was manifested, without preventing an independent expression of opinion. General sanity of judgment united, at last, on a practical solution, as shown by the ultimate conclusions. The Canadian delegates, assigned to important commissions, performed their work to the Assembly's satisfaction. They felt no difference in their status from other members—Canada was appreciated as an independent and integral part of the Assembly.

There were many views as to the betterment of the Covenant and Constitution, but there was no spirit of iconoclasm which might have caused a premature change of the instrument which was the product of the thought of eight nations at the Peace Conference. The consensus of opinion was the Covenant and Constitution should be tested before alteration is attempted. The concrete results of the Assembly were neither few nor insignificant. The organization is now completed, and the League functions through commissions and otherwise. It passed practical resolutions and cultivated sentiment leading to practical measures. By creating the International Court of Justice alone the League justifies its existence and guarantees its future work.

Hon. N. W. Rowell supplements Foster's statement, emphasizing the international friendships formed at the Assembly. The chilly atmosphere of the opening day changed to intimacy on the closing day—they spent a full half hour shaking hands on leaving new friends. All were inspired by the unity of purpose, which gives confidence in the future of international co-operation through the agency of the League. The organization was a big task, involving much time. An interesting development was the definition of the relation of members of the Council to States nominating them. Two views were held. The first was expressed by Titoni the Italian, who considered that they only held advisory mandates from their Governments; the second declared that they actually represented the States—decisions they reached would be taken as the decisions of the States. The latter view was unanimously accepted. Hereafter the League's decisions will have the same weight as the Supreme Council's, and the Powers having permanent membership will be entitled to the credit of success and bear the responsibility of failure.

Reasonable Attitude.

The call of the general board of the United States Navy for a construction policy giving the country a navy equal to any other in the world is not received with any great enthusiasm by the American press. The Chicago Tribune, Republican, which leads the fight for compulsory military service, frowns upon the proposal with adverse comment most interesting from a British point of view. The Tribune favors a naval holiday. America's need of economy, and the whole world's need, forbids entrance upon a costly pace of armament, even if

The Our Father.

This is par excellence a mission prayer. Any one who repeats it with attention will see how its several petitions apply with peculiar force to the missions.

"Our Father," the Father of all men, the Father of the Chinese, the Negroes, and so on, as well as ours. Note the force on the word "our." "Our Father" knows all His children, loves them with a Father's love, and wishes that they may come to Him.

"Who art in Heaven," in heaven, the place of eternal happiness for each and every human soul.

"Hallowed be Thy Name." May the most holy name of God's only-begotten Son be known, be honored and invoked by every people on earth to the confusion of blasphemous heathenism.

"Thy Kingdom Come," the Kingdom of grace. May God's holy Church come to include all men, and that this may be soon, bless the work of her missionaries, and help them to overcome all difficulties.

"Thy will be done on Earth as it is in Heaven." It is Thy will that all men be made holy.

Minard's Liniment will cure Dis-temper.

DO YOUR BOWELS

Move Regularly, or Do They BECOME CONSTIPATED?

If the truth were only known it would be found that half the life of the average man is spent in suffering from constipation, for when the bowels cease to work properly all the organs of the body become deranged. A free motion of the bowels, every day, should be the rule of everyone who aspires to perfect health.

Keep your bowels regular by the use of Milburn's Lax-Liver Pills, and you will have no constipation, no bilious or sick headaches, or any other troubles arising from a wrong action of the liver or bowels.

Mrs. G. Brown, Lewistown, N.P., writes—"I have been troubled for years with constipation, and trying various so-called remedies, which did me no good whatever, I was persuaded by a friend to try Milburn's Lax-Liver Pills. It is a wonderful pill and I commended them to all who suffer from constipation."

Milburn's Lax-Liver Pills are sold by all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

but how can they be, save through the missionary efforts of Thy Church and her children. Awake, therefore, O Lord, among them who have long enjoyed the blessings of Thy religion a greater zeal for the missions, that thus they may all the more completely fulfill Thy command, "Go forth and teach all nations."

"Give us this day our daily bread." Grant, O Lord, also to the heathen the bread of Thy teachings, or their souls will die of hunger. For not on earthy bread alone can men live; they need also the words that proceed from Thy mouth. Permit them to partake of Thy mystical bread or their souls will grow faint on the way.

"Forgive us our trespasses as we forgive those who trespass against us." Forgive the heathen their sins, O Lord, for they know not what they do. Original sin has blinded their spiritual sight. Wash them in the precious blood of Thy Divine Son—He shed it for them as well as for us who may pray to Thee.

"Lead us not into temptation." See, Lord, how Satan goes about in the heathen lands, his kingdoms, like a roaring lion, seeking to destroy souls. Take from him his power and might.

"But deliver us from evil." Strike down the heathen the heavy chains of unbelief and idolatry under whose burden he has for so many years groaned; give him the liberty that is born of the true faith and worship.

"Thus has the Christian world prayed for nineteen centuries of the command of Jesus. But does it act its prayer out? There is evidence that God has in mind something very much worth our while taking to heart in the parallelism between His first commandments and the first petition of His prayer. He has entrusted His honor to us. To be faithful to this trust is our first and holiest duty. Should He summon us today and ask us, as He did the House of Israel of old, how we have honored Him, what could we say to Him?"

W. H. O. Wilkinson Streetford says—"It affords me much pleasure to say that I experienced great relief from Muscular Rheumatism by using two boxes of Milburn's Rheumatic Pills. Price 25 cents a box."

Do Your Bowels

BACK ACHE SO BAD COULD NOT SLEEP.

The epidemic of "Flu" has a great deal to be responsible for. In nearly every case it has left some bad after effects, in a great many cases it is the kidneys that have suffered.

When the kidneys have been left in a weakened state, very often some serious kidney trouble will follow if not attended to. Doan's Kidney Pills will prove to be just the remedy you require to strengthen them.

Miss Florence Earnshaw, Apsley, Ont., writes—"Last winter, after I had the 'Flu' I was troubled with my kidneys. My back ached so I could not sleep, and my ankles were so swollen I could not walk. A neighbor told me about Doan's Kidney Pills. I got two boxes, and before I had the first one taken I felt a change. I cannot recommend your medicine enough."

Be sure and get Doan's Kidney Pills when you ask for them. An oblong gray box a maple leaf trade mark; price 25¢ a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
