GODERICH, Feb. 25, 1874.

Benefits of Railways,

Macaulay, the great English statesman, historian and essayist has said that next to the printing press, inven- County; the Registry Office for the tions which shorten distance are the said County of Huron shall be kept in great civilizers of our race. Railways the Town of Goderich in the said Counare the great shortners, we might almost say extinguishers, of distance, and there are few people in the present day who fail to appreciate, at least to some extent, the enormous benefits they continued aforesaid, all memorials, certificates, register books, calendars, infer. The farmers who not many years ago had to carry their grain forty or ing to the registration of, or other fifty and in some cases a hundred miles to market, sell it at a very low figure estate in the North Riding of the Counacknowledge that the railways which have or in any way forming part of the records been built are of incalculable advantage to them. Markets have been brought to them. Markets have been brought to them. within easy reach, and buyers who are prepared to take all their surplus pro shall make and form part of the regisduce, whether grain, cattle, horses, ters, records and muniments of the said duce, whether grain, cattle, norses, butter, eggs or whatever else they have, are brought to their very doors and pay said North Riding, as if they had in them the highest prices in cash. These such order and date been registered in benefits are all due to the railways the Registry Office for the said County

which have been built. rest and be thankful. The advantages relating to them, as if the registration think that too many railways are being divisions of the said County, to William built, but after all we need not fear that there will be more than are required. At any rate the rate-payers need not be afraid that they will not receive full value for all they are asked to contribute in aid. If the capitalists who put their money into these undertakings their own affair. The Grand Trunk has press thereon, draws forth the following never paid a penny to its stockholders, sarcastic remarks by Jimuel Briggs in yet what would our province have been the National newspaper,-

to day without it ? Some people object to the bonus that the companies who undertake their | for the Local Legislature by a majority construction should furnish all the of two and a half. money. This is unfair. Whenever a railway is built, all the property within a certain distance is increased in value, Edward has risen in their estimation. the most benefit should bear a share of ascetic, unseciable, haughty, cynical, the expense. The many other advan-tages which a railway confers should also morose, pedantic hair-splitter and Chancery quibtler.

Now he is the only man on the Govbe an inducement to make those who are to be benefitted bear a share of the expense of construction.

These re narks are called forth by the they always did think a great deal of fact that there is a project on foot for the eminent Edward. the construction of another railway to Goderich. The bill incorporating the company which has the project in hand is now before Parliament, and that the charter will be granted there is no charter will be granted the charter will be is now before Parliaments, and that the electric will be greated there is no contention of the road. They are proposed in a most feed will provide a milk like his and the control of the road. They are project is a most fessible one, the road are project in a most fessible one, the road are project in a most fessible one, the road running eart and west through the very heart of a road agricultural country, which is budy are winter construction, it will be road west through the very heart of a road agricultural country, which is budy are winter construction, it will be road and the Outstan and copies and Rechard and most direct roads to the budst on the charges of the Outstan and the Outstan and copies and Rechard and most direct roads to the budst on the construction with the Outstan and Copies and Rechard and most direct roads to the outstand possible and most direct roads to the Outstan and the Outstan and copies and Rechard and most direct roads to the outstand possible and most direct roads to charter will be granted there is no doubt. Upon the assistance which the ed Edward? preserves) our harbour will become of ast commercial importance, and in ammer at least, our trade will be simply immense. In winter, having no connecting lines, the rolling stock of the despatch of business on the 26th of March. Ministers are hast at work preparing their measures to be laid before the House. The Pacific Rational that the local trade is ignored discussion.

Dr. Livingstone his son-in-law. He does not think it possible the doctor readers could have reached the place he is said to have died. He further atstet that work preparing their measures to be laid before the House. The Pacific Rational that the local trade is ignored discussion.

Astenmship built specially for lay-Trunk is so crowded with through freight that the local trade is ignored and the farmers suffer in consequence by obtaining lower prices for their grain. Should the county not feel disposed to grant a bonus to the road there are a

the town of Goderich, to be benefitted, to give all that is required without emto give all that is required without embarasing their financial position, especially if the London, Huron and Bruce road does not go on, of which there is no immediate prospect. All powerful reason why we should be willing to aid such a road is that we thereby secure a large grant from the Government. A sum of about four millions of dollars has been set apart as a railway fund, and as there as about for registration purposes. All powerful reason why man and many the secure of the premiership and Mr. Disraeli was each about four millions of dollars has been set apart as a railway fund, and as there as about for registration purposes has been lost in committee by a majority of one.

—Right Hon. Edward Cardwell, who about four millions of dollars has been set apart as a railway fund, and as there as about for registration purposes has been lost in committee by a majority of one.

—Right Hon. Edward Cardwell, who about four millions of dollars has been set apart as a railway fund, and as there as a railway fund, and as there called upon to form a government, and the premiership and Mr. Disraeli was each about four millions of dollars has been set apart as a railway fund, and as there called upon to form a government, and the premiership and Mr. Disraeli was each about four millions of dollars has been set apart as a railway fund, and as there called upon to form a government, and the premiership and Mr. Disraeli was a railway fund, and as there called upon to form a government, and the premiership and Mr. Disraeli was a railway fund, and as there called upon to form a government, and the premiership and Mr. Disraeli was a railway fund, and as there called upon to form a government, and the premiership and Mr. Disraeli was a railway fund, and as there called upon to form a government, and the premiership and Mr. Disraeli was a railway fund, and as there called upon to form a government, and the rediction and passed.

All as a bant for the tide of not fail to send for a the bill to re-unite the ridings of Huron follo set apart as a railway fund, and as there are about forty counties in the province Huron contributes at least one fortieth

The premiership and Mr. Disraeli was called upon to form a government, which he has done, its personnel being as railways, and if we do not do something to secure a portion of it, it will be spent for the benefit of others. Twenty years ago the counties of Huron, Perth and ago the counties of Huron, Perth and Bruce, with an equalized value of only \$4,000,000, contracted a debt of half a million for improvements, and is there a man in the three counties who will State for Home Department; Gathorne say the money was badly spent? Shall Hardy, First Lord of the Admiralty, say the money was badly spent? Shall we be less wise in our generation? Will it not be better for us to give a little assistance and have the road with Commissioner of Works and Buildings; have the money which we must con- State for War; John Charles Hay, Sec- evening in aid of the Sabbath School. tribute to the railway fund spent else. retary to Admiralty; and Lord Hamilwhere? I would also express the nope that we may all be one in Christ, and that our great aim will ever be to promote it could be done without damage to the His glory and the welfare of each other. Ashfield. COUNCIL MEETING .- The Council met Council Meeting.—Ine Council met to-day (Jan. 19, 1874,) pursuant to statute, at Dean Swift's Hotel, Dungan- non, George Armstrong, Reeve, Maurice Dalton, Deputy Reeve, Patrick Clare, Dalton, Deputy Reeve, Patrick Clare, consequently, held them 31 years. He Andrew Dreany, and Anthony C. Haw-kins, Councillors. The minutes of last official, and was ever as anxious and zealous for the welfare of his municipali-

ty as if it had been his own propertyin fact, he seemed to cherish a feeling that limself and Tuckersmith were inseparably connected, and that an injury o one was an injury to the other. Muir was never married and had no re-lations in this country. By his own energetic and ceaseless industry he succeeded, unaided, in converting a forest farm into one of the most fruitful and Thomas Park was appointed by the laying by a considerable sum besides. He possessed a high sense of honor and integrity, and was a man whose word integrity, and was a man whose word was as good as his bond. He was kind

nd generous to a fault, and any person and in whom he had confidence, never appealed to him in vain for assistance did is a prospect of its passing. A deputation consisting of W. Young, Warden, J. T. Garrow, Reeve of Goderich, J. Leckie Reeve, of goderich, J. Leckie Reeve, of goderich, J. Leckie Reeve, of goderich, J. S. Sinclair, Barrister.

went to Toronto on Monday to urge the passing of the measure, on behalf of the passing of the measure, on behalf of the County Council:

What stream of a new village which has sprung into existence on the town line of Washins, McLeod, McManus, Maley Monk, Mowat. Oliver, Pardee.
