A door with this device shuts out draughts, noise and odors, and is opened silently.
Doors so equipped can be slammed left open, the action is quick, firm and noiseless.
A door check is now a necessity, not a luxury on most outside and inside doors; its first of use is constantly increasing.
The only successful door check since its introduction more than 25 years ago, has been universally recognized as the leading and best Lupton Check on the market. It is made in different sizes and many finishes to all requirements.
