Zam-Buk Is A Sure Cure.

Mr. Jas. Davey, of 786 Ellice Avenue Vinnipeg, says: - "A few months since was cured of a poisoned finger brough the timely use of Zam-Buk. "I cut a deep gash across the knuc kle on the first finger of my righ hand in opening a lobster can. I suffered at the time with the soreness and pain but had no idea it would become a serious wound. However, in about two days I was greatly alarmed; as my whole hand and arm to the clbow became suddenly inflamed, and the finger was much discolored, showing signs of bloodpoisoning. The pain was dreadful and I was forced to leave off my work and go home.

"The wound on the knuckle had been poisoned by dust and dirt getting into it. I then decided to start the Zam-Buk treatment, and having first bathed the cut, I applied the healing balm. It soothed the pain almost instantly, and by the next day there was a great improvement.

"In a week's time, through perse verance with this wonderful preparation, a complete cure was brought
