Doctor Tells How To Strengthen Eyesight 50 per cent In One Week's Time In Many Instances

"Victory Loan."

Dear Sir,-The British Government are doing the right thing in calling L.O.A. Hall, which was disposed of for subscriptions for a Victory Loan, free of charge, on both Dec. 27th and and this can be subscribed too by her 28th. On the latter night the concert own subjects not only at home but in was followed by a tea and dance, on and ask our people to respond to that Loan, and not having it buried in which was donated to the Hospital the outports without bringing in a Cot Fund. The performers were Crash a large amount of our capital is laying dormant owing to our outport men not having any confidence in our banking institutions. This will give them a chance to show their the cause of humanity, more especially as the interest is guaranteed by led the audience for its kind attention the British Government. Our Saving and also spoke of the noble cause the Bank depositors in itself can do their bit and subscribe to this loan, which will give them bigger interest than the bank. Come, be up and doing, ye that are in authority and let us show the British people that there is no necessity to go to our American A Child Hates Uil, Wilsonite Huns and comrades and abettors in crime for any further

When Weather Won Baitles.

London Chronicle: Weather, which has been hampering the operations of the course of battles. Its effect, howand some past examples form a hopeful precedent for to-day. At Crecy, for instance, the "great rain," which Froissart records, rendered useless the bowstrings of the Genoese archers, but the English bows, being kept cloud "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never in cases, were not affected. At Plas-fails to clean the liver and bowels and sey, too, a heavy shower of rain damsey, too, a heavy shower of rain dam-aged the enemy's powder to such an child to-morrow. extent that his fire slackened, and Clive was enabled to average the massacre of the Black Hole. Bad weather materially contributed to the failure of Napoleon's expedition of Napoleo fierce that, according to the "Moniteur" of that day, "nothing could any longer be distinguished on the field of

Patriotic Concert at King's Cove.

A patriotic concert was held in the ent of interest, for since the Bank Misses Elsie Curtis, Alice Hart, Blanche Brown, Bertha Brown, Nellie Pitman, Rebecca Brown, Flossie Dawson; Messrs. H. J. 6.030 Average Issue. Increase 1916,—19,612. 302 Days of Issue. Total Number of Copies-1,820,965.

AFFIDAVIT.

I, WILLIAM J. HERDER, of the City of St. John's, Newfoundland, Proprietor of The Evening Telegram Newspaper, being duly sworn do depose and say:

1.—That the average circulation per issue for the year ending December 30th, 1916, was 6,030 copies. 2.—That this statement of circulation does not include any spoiled sheets, destroyed papers, returned copies, or papers sold in any other way than day by day in the ordinary course of trade to news dealers, news vendors and subscribers, including "exchanges".

3.—That the above Labular statement is a correct report of the 302 issues of The Evening Telegram for the year ending December 30th, 1916. W. J. HERDER.

And I have signed,

Sworn and acknowledged before me, at St. John's, this 13th day of January, A.D. 1917.

Commissioner of the Supreme Court of Newfoundland.
