added to the list of towns dismantled, pillaged, ruined by the retreating Cermans. In some cases time only has omplexion and the hair, they would been lacking to complete the devacliscover that the facial expression tation. The inhabitants have been deported into servitude; the men are wanted for the digging of trenches and other necessary and dangerous imperfections. Talking animatedly be- work behind the lines; the women for menial tasks, and worse—the truth is too horrible to be told. All the world knows that Rheims is a pi'e of ruins to-day around the shattered walls and tower of its once marvelous cathedral. Cambrai escaped conthe features, but relaxation-letting plete destruction because the enemy had no time to level it, so irresistible sist very materially. Screwing the was the assault of Haig's infantry. Lens, says Mayor Basly, is no more: literally so, it is without even the the muscles of the cheeks and tightening the lips, are unsightly habits. Germans can't carry away they efgives a foolish expression to the most face with the torch and the bomb, or intelligent face and tends to disfigure any agency available. The French National Committee on War Damag says, in the presence of the demolition

Despite the reprobation of the world, the German war practices are constantly being accentuated cedings have transformed hostilities into abominable brigandage, seeking above all the ruin of agriculture, industry, and commerce in this country.

The Germans in beginning the war they provoked tore up all their committals to The Hague and Geneva conventions, just as they scattered the Belgian past of neutrality to the winds. Premier Clemenceau finds true indictment against the Germans when he says that "all international "conventions which maintained in ward the centre, when the lips are in-"armed conflicts traditions of loyalty clined to be too thin or flat. Drawing "and nobility have been cynically the finegrs back and forth over the "swept aside by Germany." Her gold lips will remove or assist in removing the lines which set in around the liers justify every act of vandalism, every iniquity in the field, every piracy and brigandage, by pleading "military necessity." Mercy they have none. They make ribald jests about humanity. They are silent about the abominations they commit, but continue to practice them. The Paris, Oct. 16.—When allied troops German armies in this war have been entered St. Quentin they found that guilty of more and greater excesses every pillar in the cathedral there than have been charged against the had been excavated at the level of the armies of Europe in all the wars of and been excavated at the level of the armies of Europe in all the wars of ground preparatory to placing ex modern times.—New York Times.
