PLACENTIA BAY SOLD FOR BENNETT.

Special to Evening Telegram.
MERASHEEN, April 27.
 Coaker and Squires are politically dead and buried in Placentia Bay. Walsh, Sullivan and Sinnott performed the burial service here this evening. They arrived here this afternoon on the Cabot, the first steamer to visit us since the 10th of February, and she arrived just in time to save life as the people were on the verge of starvation. Merasheen Island will give Walsh, Sullivan and Sinnott 90 per cent. vote. Placentia Bay has had enough of Coakerism and it is sold for BENNETT AND BETTER TIMES.

Special to Evening Telegram.
HANT'S HARBOR, April 27.
 Stone, Bradley and Hodder arrived here last night at 8 o'clock from the North side of the Bay by motor boat. They were given a good reception, guns firing continually. They held their meeting in the Orange Hall, the building being crowded and the speeches of the candidates were very logical and to the point. The misdeeds of the Squires-Coaker Government were placed before the public. The meeting closed by singing the National Anthem and cheer upon cheer for BENNETT AND BETTER TIMES.

GRATE'S COVE, April 27.
 The best political meeting ever held in Grate's Cove was held last night by the Opposition candidates Crobie and Puddister. The hall was filled with the voters of Grate's Cove and vicinity. The hall rang with enthusiasm from beginning to end and never in the history of Grate's Cove did two candidates get such a reception. Count Grate's Cove eighty per cent. for the Opposition candidates and for BENNETT AND BETTER TIMES.

GRIMES HAS LOST FOGO.

Editor Evening Telegram.
 Dear Sir—Please allow me space in your esteemed paper to make a few remarks. Mr. Grimes arrived here on the 24th of March and held a public meeting. His discourse was all about the Humber Deal and a Flour Mill they were going to erect somewhere in the country, and also the selling of the Labrador. No doubt, Mr. Editor, a grand proposition; sell one half the country to redeem the other. Newfoundlanders have come to something now, when the Squires candidates will stand on public platforms and tell the electors of this country they are going to sell their freedom. Surely that is what it means. Come Messrs. Squires and Coaker, Newfoundland for Newfoundlanders and BENNETT AND BETTER TIMES.

Yours truly,

FREEDOM.

THE TRUTH ABOUT IRELAND'S EYE.

Special to Evening Telegram.
 Dear Sir—I notice in the Evening Advocate that the meeting held at Ireland's Eye by Stone, Bradley and Hodder was a complete failure. Now, Mr. Editor, this is a little too much and I am going to contradict that article. The meeting at Ireland's Eye was a very successful one, better by far than ever the Government members had there. And we, the people of Ireland's Eye, are going to stand by

Stone, Bradley and Hodder in the coming election and vote for BENNETT AND BETTER TIMES.

MONROE, WINSOR AND LITTLE HOLD GREAT MEETINGS.

Special to Evening Telegram.

PLATE COVE, April 27.
 Monroe, Winsor and Little held three successful meetings yesterday at Knight's Cove, Broad Cove and Plate Cove. All three are solid for the Bennett candidates. This is a great gain on 1919. Bonavista will return these three.—**COR.**

Meetings were held yesterday at Open Hall, Tickle Cove, Summerville and Sweet Bay. All these places practically solid for the Opposition.—**COR.**

POLITICAL ACTIVITIES IN PORT DE GRAVE.

Mr. Mackay Holds Enthusiastic Meeting at Clarke's Beach.

CLARKE'S BEACH, April 27.
 (By Telephone)—A very large meeting was held here tonight. It was the finest meeting ever held in this town. People were present from Barenced, the Dock, Otterbury, North River, Hall's Town, the Motion, the Goulds, Juniper Stump, Salt River, Salmon Cove, Foley's Hill, the Cross Roads and Clarke's Beach.

Mr. W. A. Mackay who spoke for an hour, met a wonderful reception. Two men cheered for Winter, one of them his Salt River Chairman, the other his Chairman at Clarke's Beach. Enthusiasm ran high. If Mr. Mackay were in the district another fortnight the Squires candidate would not save his deposit.

Mr. Winter held a meeting at Juniper Stump to-day. His Chairman was the manager of the Woolen Mills, whom he has appointed to-day as Deputy Returning Officer at the Goulds, having dismissed Joseph Anthony. His call for a show of hands at the end of his meeting resulted in responses from ten, some of whom were women.

Mr. Mackay has visited every part of the district and expects to be returned by a much larger majority than Sir John Crobie received in 1919. The Port de Grave peninsula is strongly for the Opposition. The Prime Minister was here for half an hour to-day. He did not receive a solitary cheer. It is rumored that he purposes staying over here till after the election.

Mr. Hickman who with the Hon. J. R. Bennett, the leader of the Opposition and Mr. Archibald, is conducting a most successful canvass in the Harbour Grace District, will join Mr. Mackay to-morrow. They purpose holding a joint meeting at North River to-morrow afternoon, and at Cupids to-morrow night, when Mr. Hickman will discuss Fishery matters generally.

BURGOE ACCLAIMS CHAMBERS.

BURGOE, April 28.

Our member elect Mr. Chambers with Capt. Greene held a most successful and enthusiastic meeting here in Orange Hall last night. John Matthews, chairman, Burgoe particularly wants better times and a Bennett Government. (Sgd.) J. A. Matthews, C. D. Keen, M.D., Edwin C. Dickie, Capt. J. Vatcher, P. Matthews, John Anderson, Capt. Geo. Street, Walter Pinel, Jos. Vatcher, and numerous others.

CASHIN, LINEGAR AND HUNT AT THORBURN ROAD.

Cashin, Linegar and Hunt visited the Thorburn Road yesterday afternoon, and at night held a meeting in the School House, which was attended by practically all the residents in the vicinity. The candidates were greeted with salutes of musketry. Mr. Patrick Parrell presided and introduced the candidates who delivered forceful addresses reviewing the general state of affairs in the country, and showing up the kind of a government we have had for three and a half years past. They were cheered to the echo, and at the conclusion Mr. J. T. Phillips gave a short address which was well received. The Thorburn Road will give the Bennett candidates a big majority on Thursday next.

SQUIRES MEETS WITH FROST AT MR. GRACE.

Special to Evening Telegram.

MR. GRACE, April 28.
 Squires held meeting here last night; Opposition supporters went in mass and filled hall. It was previously arranged that he should be given patient hearing. He talked of Humber and Labor but told nothing about the contract. Squires-bluff and talk too well known here to deceive electors again. As Squires passed down the Hall on his way out not a cheer was given for him but upon reaching the street he was greeted by cheer after cheer for Bennett, Hickman and Archibald from the 250 men gathered around the door. Special reporter came along. No doubt Govt. papers will have great story. No

FEEDING HIS PET

The greatest scandal in the political history of Newfoundland was the Government's action towards the Reids. "I will put the Reids in their place," said Sir Richard, and then proceeded in deliberate contradiction to fatten this organization financially until it has been glutted with huge sums, taken directly from the pockets of the people.

Throw out this breaker of promises lest he bring you to ignominious insolvency. Save the country for your children's children and vote for BENNETT AND BETTER TIMES!

doubt about Mr. Grace. No more Coaker-Squires regulations or whack. Bennett, Hickman and Archibald sure.

WHOLE WEST COAST SOLD AGAINST THE SQUIRES. COAKER OUTFIT.

Fortune, April 28th—People here resent the Government's propaganda through the public news and other means which is losing support for them. War slogan of this place and whole of West Coast is: "Remember the Fish Regulations." People very strongly oppose Government in which Coaker holds so much power. Fully confident of Harris' majority here.

Coley's Point in Line for Bennett.

(BY TELEPHONE.)

Last night Mr. J. R. Bennett and his colleagues, Mr. A. E. Hickman and Mr. Archibald held a most enthusiastic and successful meeting at Coley's Point. On their arrival they were greeted by volleys of musketry and prolonged cheering. Captain Jim Dawe acted as chairman and the hall was packed to the doors. Mr. Bennett first addressed the meeting and in the telling manner that was ably demonstrated on his previous visit, he outlined the policy of his party, reviewed the misdeeds of the Government and left no doubt as to the real issue in this election. Mr. Hickman followed and his reputation for sound, logical, reasonable argument was certainly sustained in his last night's speech. Mr. Archibald next spoke and the manner in which he condemned the Squires-Coaker tactics, their methods of Government and their treacherous betrayal of the people brought continuous applause and approbation from the audience. All the speakers were given wonderful ovations and there is no doubt that over 75 per cent. of the voters here are determined to vote straight for Bennett, Hickman and Archibald, men of the premier district. Coley's Point is right in line for BENNETT AND BETTER TIMES.

ATTENTION!

Men of St. Philips, St. John's West!

For a quarter of a century, I have had my eye on St. Philips, and have seen the good work done there on your public wharf and your other public improvements. Surely, you do not forget, that many years ago, when your two wharves were almost completely swept away, that Bennett and Morris immediately came to your rescue and made you better off than you had been before. Many times it would have been impossible to have your sick attended to, were it not for Bennett's good-will towards you, and you will, nor cannot forget, ever forget—that your old Pastor was almost as much your Doctor as your clergyman. Broad Cove or as it is now called St. Philips has become an important settlement, but I see little public, at least, improvements since Campbell and Squires came in to power. Do you think for a moment, that any man who spends thousands of dollars to make his son a doctor cannot find a place for him to practise in that great big country of Canada. The most of the medical fraternity who have come here, to say the least, have very little intention of remaining here. You men work in Bell Island. All knew Dr. Cornochan. Do you think he has gone to Detroit to make his living after so many years work on Bell Island. Campbell will treat you likewise and laugh at Newfoundland as too green to burn. Why has Squires, so pronounced a Newfoundlanders,

taken hold of this man from Souris, P.E.I. Because, before the last election he brought about a union between him and Coaker. You don't have to be reminded of what Coaker has done for your fishery. You are called upon in this election to choose between independent men who can be of some help to you and who can be always on hand when you need a friend as between Squires who will hike it again to London, to live in his suite of rooms and entertain friends, at a cost of \$600.00 or \$700.00 per day, and Campbell, the Prince Edward Islander whose only interest in Newfoundland is to pile up a good bank and retire in a few years, and between Fitzgibbon who is only a "hushery" and who wants his grab, supplying the Squires Government. This latest "noodle" was trafficking with Cashin, till a few hours before Squires took him into his sheep fold! Fitzgibbon, I tell you, has no use for St. Philips, and Squires and Coaker will be two interested in the Humber and what they can rake off it for themselves, to bother about a hundred or so fishermen there, whose whole dependence rests on what they can haul from the sea. Vote these three down and the straight ticket for John R. Bennett, reduction in taxation, the abolition of useless departments and more prosperous times.

Neustadt, Ont., April 27—(Special)—"I suffered for about six years from rheumatism, lumbago and neuralgia. I started taking Dodd's Kidney Pills and my health is very much improved." This statement is made by Mrs. Becker, a well-known and highly respected resident here. Mrs. Becker recommends Dodd's Kidney Pills to all who suffer with kidney troubles. All that is claimed for Dodd's Kidney Pills is that they are a kidney remedy. They heal and strengthen the kidneys. They are used to treat rheumatism, dropsy, backache, urinary troubles, diabetes and heart disease. Because all these ills are either of the kidneys or caused by diseased kidneys.

If you suffer from any of these complaints, give Dodd's Kidney Pills a trial, and see how well you will feel. They are obtained from all druggists at 50c. a box, or six boxes for \$2.50.
