How to Pay That Mortgage

If you live you will pay off your indebtedness. Suppose you do not live? There's the rub! The mortgage lives on.

Suppose you make a contract with the Ontario Mutual Life Assurance Company, one of the oldest and strongest moneyed institutions in this country, to pay the mortgage if you die before liquidating it, and return to you a tidy sum of money if you live?

C. E. German is the general agent-he will be glad to tell you more about it.
