Weak back is simply a warning from the kidneys and should be attended to immediately so as to avoid years of terrible suffering from kidney trouble.

Mrs. N. Larmour, Smith's Falls, Ont., writes:—"I take pleasure in writing you, stating the benefit! have received by using Doan's Kidney Pills. [Canadian Press.]

Paris, March 15a-A dispatch to the Natin from Fez says that the situation in Morocco is exceedingly grave. All the tribes are discontented at the abuses of the Government, and are rising and preaching a holy war. For the first time on record the old policy of playing off one side against another has signally falled.

The correspondent quotes Gaillard, the Freuch consul, as saying:

"In all the years I have been in Morocco I have never seen so serious a situation."

Morocco I have never seen so serious a situation."

Mual Hafid is filled with anxiety, Fez is practically surrounded by hostile tribes. The latest news indicates a slight improvement in conditions, but it is feared this is not lasting.
