3 simple antacid, taken in a little warm or cold water after eating, which not only neutralizes the acid, but also prevents the fermentation from which acidity is developed. Foods which or dinarily cause distress may be eaten with impunity if the meal is followed with a little bisurated magnesia, which can be obtained from any druggist, and should always be kept handy.

SALTS IF KIDNEYS OR BLADDER BOTHER

Harmless to Flush Kidneys and Neutralize Irritating Acids.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid. from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burnng, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night, The sufferer is in constant dread. The water passes sometimes with a scalding sensation and is very profuse; again, there is a difficulty in volding

Bladder weakness, most folks call because they can't control urina-on. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast. Continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again

Jad Salts is inexpensive, harmless and is made from the acids of HAY'S STATIONERY OPPOSITE DOWLER'S. DOWLER'S. of folks who are subject to urinary
