Address and Presentation

A very pleasant evening was spent at the home of Mr. and Mrs. John Stanger on Monday evening, April 3rd, when over fifty friends and neighbors of Pte. John Lamb met to spend a social time with him. Mr. R. Brock was chairman and gave an appropriate address. Addresses were also given by Rev. S. P. Irwin and Rev. J. C. Forster and were much appreciated.

About the middle of the program Pte. Lamb was called upon. The following address was read by Miss Stella Williamson and presentation made by Miss Mary Stanger:

Watford, April 3rd, 1916.

Mr. John Lamb: Dear friend,—We have gathered together to-night for the purpose of expressing our appreciation of the noble step you have taken in answering the call of King and country. Patriotism is a true virtue. It is an untold blessing to have a country one can call his own, and under whose protecting care one can feel that life and property and honor are safe. In this time of peril you feel you cannot look on and see your country threatened by cruel and ruthless foes without coming forward to do your part. You cannot be content to see another do his bit and yours also. We are here tonight to do you honor. We feel the more constrained to do this, because you are the third son of your father to don the khaki. This is a noble offering for one family to lay on the altar of patriotism. As a slight token of our esteem, please accept this wrist watch which will be a constant reminder to you, of the interest and prayers of the folks at home. It is your lot to go to the front may you do your part nobly and may the Heavenly Father be pleased to bring you home again in safety. Signed on behalf of your friends,
Mrs. John Stanger
Miss Kate Ross.

Pte. Lamb, although taken completely by surprise, made a very suitable reply, thanking his friends for their kindness to

him and said that if he was called upon to do his duty, the many pleasant remembrances of Watford and its associations would always present themselves.

The singing of "For He's a Jolly Good Fellow" brought the program to a close. Games were then indulged in, after which a very dainty lunch was served and all returned to their homes much satisfied with the evening's enjoyment.

About Pool Rooms

Watford, April 11th, 1916.

To the Editor Guide-Advocate.

Kind Sir—Allow me through the columns of your valuable paper to give a few facts to the public which I think they should know. On Feb. 7th the question of billiards came up in the Council. It was said by members of Council that billiards could be stopped. I questioned if they would stop them. I got no answer. On motion being put to grant licenses I voted for it, thinking it was better to have one hundred and forty dollars in the town treasury than to go on the same as it has for the last year wrangling and spending the public's money in useless law costs. With the firm belief that the hours for closing was seven o'clock on Saturday night and 10 o'clock each other night in the week, on March 8th at meeting of Council, I seconded a motion instructing the Reeve to inform Mr. McKay to comply with the by-laws regulating pool rooms. He did so. Pool room closed at 7 o'clock. On April 3rd the regulating of pool room hours came up. No by-law form appeared to fill in. I wrote out a motion that the hours for regulating pool rooms be ten o'clock on each night and seven on Saturday night. I could not get a seconder. I passed it to the chairman. He said it was in order and the Council had full power to regulate the hours. A motion was made and seconded to extend Saturday night to ten o'clock the same as other nights. On motion being put I asked for the yeas and nays. The motion was declared carried, contrary was not asked for to my knowledge and is not in the minutes. One councillor would not vote, another says he did not vote. I voted against it. I could not do otherwise and stand by my former vote. 87 hours a week is enough. No billiards in February, more billiards in April, one man's business restricted to seven, another's extended to ten o'clock across the street.

Decency and order demands a quiet Saturday night to be a man on Sunday, and a Sunday well spent brings a week of content. I don't wish to appear in the lime light but I think billiard men are taking a long chance. One thousand dollars of Watford's money has been wasted if we go back a few years by not doing the proper thing at the proper time, still we go merrily on—not the good old way but the same old way.

What I have said is the truth and I defy contradiction. Thanking you Mr. Editor, for the space used,

Respectfully yours,
JOSHUA SAUNDERS,
Councillor.

Hotels After Prohibition Comes in Force

Toronto, April 13—Dr. J. B. Martyn, member in the Legislature for East Lambton, will likely have the honor of leading the House in promoting legislation to improve conditions in the province after prohibition comes into operation. With the consent of the Premier Dr. Martyn will introduce a bill following the Saskatchewan act to enable municipalities to exempt from taxation hotels in local option districts, and to further encourage the maintenance of good houses to grant exclusive licenses to sell ordinary local option or light refreshments. Other provisions of the bill will enable municipalities to make grants and otherwise assist in the reorganization that will be necessary after the sale of liquor is abolished. It is not yet known whether this legislation will receive government support, but there is likely to be a full discussion on the proposal, and it is favored by a majority of the members the Government may take it up.

Dr. Martyn has also succeeded in getting a grant from the Department of Agriculture for the newly organized fruit and vegetable growers association in Lambton County. The Department is not anxious to make these grants, but in view of the success achieved by the Corn Growers association, a grant of \$200 will be given, while the grant heretofore given to the Corn men will also be continued.

Townline West

Quite a number of the farmers in this section are buzzing wood.

George Armstrong moved to Sarnia on Tuesday.

John McAustin made a trip to London on Thursday.

Miss Agnes Armstrong, of the sixth line, is the guest of Miss Essie Nesbitt.

Reginald Leach returned to his school in Courtright on Tuesday.

On Monday evening friends and neighbors met at the home of Mr. and Mrs. George Armstrong to express regret that the latter were so soon to remove from the neighbourhood, and to wish them happiness and prosperity in their new home. At the end of a short program an address was read and Mrs. Armstrong was presented with a handsome tray of silver spoons.

SPRING REMINDERS

OF RHEUMATISM

Raw, Damp Weather Starts the Pains, But the Trouble Lies in the Blood

Spring weather is bad for rheumatic sufferers. The changes from mild to cold, the raw, damp winds start the aches and twinges, or in the more extreme cases, the tortures of the trouble going. But it must be borne in mind that it is not the weather that causes rheumatism. The trouble is rooted in the blood—the changeable weather merely starts the pains. The only way to reach the trouble and to cure it is through the blood. The poisonous rheumatic acids must be driven out. Liniments and rubbing may give temporary relief, but cannot possibly cure the trouble. The sufferer is only wasting time and money with this kind of treatment and all the time the trouble is becoming more deeply rooted—harder to cure. There is just one speedy cure for rheumatism—Dr. Williams' Pink Pills. They act directly on the impure, acid-tainted blood. They purify and strengthen it and thus root out the cause of the rheumatism. Here is strong proof of the above statements, Mr. Michael Personage, Feulon, Man., says:—"My mother suffered several years with rheumatism. We tried a number of remedies but they all failed to cure. Then we got Dr. Williams' Pink Pills, and after using them for some time she was completely cured and has had no sign of the trouble since."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Church and Cemetery Being Washed into the Lake

Amherstburg, April 9.—Rollers from Lake Erie are causing erosion along the Canadian shore to such an extent that part of the cemetery of Christ Church, Colchester township, near Amherstburg, has been washed into the lake.

Several graves are now under water, and the farmers are fighting desperately to save the historic graveyard, where are buried their forefathers and soldiers who fought in the war of 1812. Trees, brush and stone are being hauled into position, in an effort to prevent further damage.

The church is also in danger, being only a few feet from the brink, which is rapidly disappearing. The situation is so serious that the Government has been asked to lend assistance.

Windsor now pays seven cents for a 1½ lb. loaf of bread.
