

LE COURRIER DU LIVRE

VOL. II. — No 20

TO OUR READERS

WITH the present issue, LE COURRIER DU LIVRE has become the official organ of the *Literary and Historical Society of Quebec*, and will be published monthly, as heretofore, in the *French and English languages*.

This course has been adopted as the fittest to disseminate a far historical information on Canadian subjects, in accordance with the aims of the Society.

We have also considered that nearly the three fourths of our subscribers are recruited among English students of America's history, and that all our French subscribers understand both languages.
