*NOTE.—The above item represents the W. F. M. Society's share of interest paid by the F. M. Committee to the Ban's for advances to enable them to pay salaries and other expenses of the Missions as they become due and before they received the money from the W. F. M. S. on the first of May.

This has never been in the estimates, but the Board thinks that it is only right that the Society should pay its proper share of interest.
