Japanese Kites. WILFORD HALL'S DISCOVERY!

BY TOZO OHNO. In the spring time in Japan is the most charming season of the year. The beautiful birds are singing in the trees and bushes, and green grasses grow out of the ground. The breezes of the South Pacific are sending healthful sweet music throughout the flowery lands of Japan. I can imagine while telling the story of Japanese kites, that they are, at the present season, enjoying the pleasure of flying kites, on the other side of the globe for the spring is the best season for kites.
