

MONTREAL MINING EXCHANGE.

The market was broad and active during this morning's session. Sentiment having undergone considerable change since the beginning of the week.

Prices were well maintained and those issues which a while ago nobody had a good word for seemed now to be in good demand among those which have recovered considerably of late is Big Three which today was quite strong round 21 and 22. The opening sale was made at 21, 2000 shares changing hands, and before the close it had gained $\frac{1}{2}$ a point and for 1000 shares sold at $21\frac{1}{2}$, sellers asking 22.

During the session sellers of Payne were asking 386 and 385 it finally sold for 383, 5000 shares changing hands.

Virtue also was strong although the recovery from bottom has been slow, evidently the tide has turned and we expect better things before long, it sold this a.m. at 48 and 49.

Montreal-London was traded in to the amount of 850 shares, sales being made at 56, 57. Sellers were asking $57\frac{1}{2}$.

Evening Star for 2000 shares sold at 11. This is unchanged as regards price, sellers were wanting 12 and are more than likely to get it.

The remaining sales were made at stationary prices. 3500 Insurgent sold at 9. 2000 Golden Star sold at 72 etc.
