Subscription Agents Wanted.

We want an agent at each railway and shipping centre in the Dominion to secure new subscriptions to THE RAILWAY AND SHIPPING WORLD, for which we will pay liberal commissions.

The work is easy, the paper recommending itself, and is specially adapted for clerks in transportation offices. It can be done at odd times without interfering with other duties.

For terms and other particulars, address

THE RAILWAY AND SHIPPING WORLD,
Toronto.

PROFESSIONAL CARDS.

THE RAILWAY AND SHIPPING WORLD is especially adapted for the publication of professional cards of engineers, inspectors, analysts, electrical experts, naval, grain elevator and other architects, solicitors, etc., who desire to bring themselves under the notice of the managements and officials of the various steam and electric railway, steamship, grain elevator, telegraph, telephone and power companies throughout Canada, as well as the locomotive, car and ship builders, contractors and promoters of railway enterprises. THE RAILWAY AND SHIPPING WORLD is the only one medium through which all these important classes can be reached.

Rates will be quoted on application.
