UNSURPASSED SITE

FOR First-Class Hotel, College or Academy. HEAD OF NORTH-WEST ARM

TO BE LET

On a Building Lease for 21 Years, renewable, and with option for purchase during term. Unsurpassed-Because

- 1. The property is free from the heavy tax system prevailing in Halifax, being just beyond the city boundaries.
2. It fronts on the North-West Arm, is surrounded by roads on the other three sides, and is accessible in easy walking distance from the city, as well as by water and carriage roads.
3. The city water pipes with high pressure traverse the property thus making baths available up to the highest floor of buildings, besides supplying water for fountains, gardens, and for flushing drains.
4. Salt water is close at hand, to be pumped, hot or cold, into baths, on any floor of buildings, if desired.
5. The scenery and beautiful drives to 'Herring Cove,' 'The Dingle,' 'Prospect,' and various other favorite resorts, present unusual attractions, and a good Hotel on this spot would be crowded with guests. As more accommodation was needed the buildings could be extended in all directions on the property.
6. In winter, skating, tobogganing, sleighing, and other parties, would centre at a well kept Hotel on the spot.
7. A small steam barge would make available for salt water bathing numerous secluded and charming spots on the Arm and its vicinity, while business men could reach their offices of a morning and return to their families of an evening through pleasant sea breezes and free from heat and dust. Schools and places of Worship are close at hand.
8. By a long lease tenure, the capital for purchase of land would be available for buildings and at the same time the tenant, when the good will of his business had become valuable could either sell out his interest, or purchase the land as an interest stipulated in the Lease.
After 21 years benefit the Lease would be renewable each Seven Years on terms which may be stipulated at the outset.
A capable man, with energy and industry, could not lose, but would stand to win a handsome competence by taking hold of this property on terms such as are above suggested. Any such person, MEANING BUSINESS, can learn further particulars on applying at the Office of B. G. GRAY, 91 Hollis Street, Halifax.
