GREAT IMPROVEMENTS FOR 1886.

The aim of "GRIP" is to set forth, in an impertial and independent manner, the passing events of Canadian political, and social life. Its Cartoons speak more definitely and more pleasingly than whole columns of editorial. In this pungent, easily appreciable, and artistic style of presenting a subject, the whole situation is revealed at a glance. The success of Grip shows how well this fact is appreciated—its Cartoons on the passing political events of the country being even more eagerly sought after than the chaste and humorous letter-press of the paper,-though the latter is equal to that of any similar publi-

cation on the continent. The publishers of *Grip* are making extensive improvements for 1886. The old cover is to be discarded, and the journal will hereafter comprise 12 pages, and be printed on heavy toned will hereattor comprise 12 pages, and be printed on heavy toned and calendered paper, --overy number being so artistically executed as to compare favorably with the best papers of the kind on the continent.
