

Special Offer

To introduce our Fine Note Papers, we are offering special inducements to those who wish to have their paper embossed with initials or monogram. On lots of 5 quires or over, we will emboss initials or monogram for 15 cents per quire on first order and 10 cents per quire on subsequent orders. We supply the Die, which, however, remains our property. If purchaser of paper supplies the Die, embossing will cost only 10 cents per quire.
