The ss. Warrimoo, is due on Tuesday.

The ss. Empress of China, is due from the Orient on Nov. 13.

A formal survey was made of the ss. San Mateo, last week. The deck is blown up 54 feet 6 inches in the length of the ship, and 39 feet in breadth. The port side of the ship was hauled in 6 inches in 40 feet, and the starboard side 5 inches. The vessel got a terrific shock which tore up and carried away a great portion of the deck of the forward hold. Repairs will cost something like 30,000.
