

### You Don't Have to Go to New York

We've solved the problem of style in shoes for Canadian women.

Few can afford to visit New York or Boston every time a new pair of shoes is needed—We bring the new York and Boston styles to you. You get the newest, latest models from the American shoe centres when you get the

SHOE for WOMEN

No shoes at any price excel those that come from the Minister-Myles factory. Few brands come anywhere near them in style, in fit or in wearing qualities. You can settle the style argument for yourself by dropping in to almost any good shoe shop and asking to see a pair of Altros. To see them is to want them on your feet—then will come that lasting satisfaction that these good shoes insure through months and months of wear.
