A little boy, hearing some one remark that nothing was quicker than thought, said, 'I know something that is quicker than thought,' 'What is it Johnny?' asked his pa. 'Whistling. When I was in school yesterday, I whistled before I thought: and got licked for it, too.'

ADVICE TO MOTHERS.

Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. 25c a bottle.

Two conceited young authors were boasting that they rowed in the same boat with a celebrated wit of the day. 'Ah,' replied Jerrold, 'but not with the same sculls.'

When I was a child I used to be troubled with Stomach Ache, Indigestion, Flatulency, and other ailments. I was told to use Health Food. It has cured me, and I can now eat anything I like without any harm. It is the best medicine for all ailments of the stomach and bowels. For all ailments of the stomach and bowels, use Health Food. It is the best medicine for all ailments of the stomach and bowels. For all ailments of the stomach and bowels, use Health Food. It is the best medicine for all ailments of the stomach and bowels.

Married life should be a 'sweet, harmonious song, and, like one of Mendelssohn's, 'without words.'

"Did you ever go to sea?" asked Mr. Brown of Jones, as he walked into his office the other afternoon. "No, I am no sailor," replied Jones. "I was going to advise you," said Brown, "if you ever did, to be sure and carry Minard's Liniment with you, for it is a whole medicine chest in itself."

STILL ANOTHER.

O. C. Richards & Co., Gents,—I have used Minard's Liniment for rheumatism with great success. Please send by express one dozen bottles, as I cannot purchase it here.

It is currently reported that the last cold snap was fatal to the peach blossoms. It is just as well to print paragraphs of this sort now, and have it off our minds. They've got to come, any way you fix it.—Boston Transcript.

A LETTER FROM DR. HANS VON BULOW.

The Knabe Pianos which I did not know before, have been chosen for my present Concert tour in the United States by my Impresario and accepted by me on the recommendation of my friend, Bechstein, acquainted with their merits. Had I known these pianos as now I do, I would have chosen them by myself, as their sound and touch are more sympathetic to my ears and hands than all others of the country. Dr. HANS VON BULOW.

New York, April 6th, 1889. To Messrs. Wm Knabe & Co.

The superiority of man to nature is continually illustrated. Nature needs an immense quantity of quills to make a goose with, but a man can make a goose of himself with one.—Reporter.

ST. ANDREW'S, N.B., 4th Oct. 1889. Messrs. Brown Bros. & Co., Being very much reduced by sickness and almost given up for a dead man, I commenced taking your Puttner's Emulsion. After taking it a very short time my health began to improve and the longer I used it the better my health became. After being laid aside for nearly a year, I last summer performed the hardest summer's work I ever did, having often to go with one meal a day, I attribute the saving of my life to PUTTNER'S EMULSION.
