**THE CANADA LIFE**

in each of the past 4 years has earned a substantially increased interest rate, and 1912 bids fair to exceed 1911.

Interest is a most important element in the earning of surplus, and this doubtless accounts for the fact that in each of the past 4 years the Canada Life has earned a larger surplus than ever before in its history.

N.B.—Favorable mortality and low expenses, the result of good management, have helped.

**Northern Life Assurance Company of Canada LONDON, ONTARIO**

The past year showed progress in every Department. We wrote more business than we ever did. Our Assets amount to nearly a million and a half. Our Reserves for the Security of Policyholders are nearing the million mark. Our Death rate was small, showing careful selection, and was paid for twice over by our interest income.
