THE TORONTO GENERAL TRUSTS CORPORATION

Established in 1882, was the first trust company in Canada. It is absolutely free from affiliation with other financial concerns—a trust company confining itself to the business of executor, trustee or agent and eliminating from its transactions everything of a speculative character. The total value of estates, etc., under its administration now exceeds One Hundred Million Dollars, one half of which has accumulated during the last seven years. All investments made by this Corporation are restricted to "Trustee Securities" as authorized by law. The Toronto General Trusts Corporation solicits the appointment of Executor and Trustee of your Will, offering the above advantages combined with years of experience in estate management.
