Mercantile Summary.

AT A public meeting of the ratepayers of
Ottawa a resolution was adopted recommending
the City Council to submit a by-law to the peo-
ple to grant a bonus of \$100,000 towards the
extension of the Canada Central Railway to
Pembroke, and \$100,000 towards establishing
machine shops at that city, on condition that
the company expend \$150,000 on the shops
themselves.

THE first annual meeting of the stockholders
of the Union Navigation Company was held on
Wednesday the 10th inst. The auditor's state-
ment of affairs was submitted to the meeting
and unanimously adopted. The Treasurer's
report showed the receipts to be \$30,000 in ex-
cess of expenditure. The following gentlemen
were elected officers for the ensuing year:—
Messrs. W. W. Ogilvie, W. A. Charlebois, Joel
Leduc, Narcisse Valois, Montreal; F. X. O.
Methot, St. Pierre les Becquet; E. Couture,
Levis; Jos. Plamondin, Louis Bourget, Capt.
M. Dickey, Quebec.

AT THE eight annual convention of the Dairy-
men's Association of Ontario, held in Ingersoll
a few days ago, Prof. Bell in the opening address
stated that "he estimated that the value of the
cheese manufactured in Western Canada would
reach \$1,500,000; in the eastern section about
\$600,000, and in the Belleville district about
\$900,000; making the exports of Canada
amount in all to \$3,000,000 for the year 1874,
which shows a rapid increase in the manage-
ment of this staple. The estimated annual ca-
pacity of the British market is 800,000,000 lbs.,
or equal to 400,000 tons, so that even if half of
this amount is manufactured in England there
still remains an enormous market, which it will
be impossible for us to surfeit." At the close of
the convention the following gentlemen were
elected officers for the ensuing year: President,
E. Caswell, Ingersoll; Vice-President, P. R.
Daly, Belleville; Treasurer, C. E. Chadwick,
Secretary, J. C. Wegler, both of Ingersoll.
