REPORTS OF GOVERNMENT CHEMISTS

As to Purity and Wholesomeness of the Royal Baking Powder.

"I have tested a package of Royal Baking Powder, which I purchased in the open market, and find it composed of pure and wholesome ingredients. It is a cream of tartar powder of a high degree of merit, and does not contain either alum or phosphates, or other injurious substances. E. G. LOVE, Ph.D.

"It is a scientific fact that the Royal Baking Powder is absolutely pure. The Royal Baking Powder is undoubtedly the purest and most reliable baking powder offered to the public. H. A. MOTT, Ph.D.

"The Royal Baking Powder is purest in quality and highest in strength of any baking powder of which I have knowledge. Wm. McMurtrie, Ph.D.

The Royal Baking Powder received the highest award over all competitors at the Vienna World's Exposition, 1873; at the Centennial, Philadelphia, 1876; at the American Institute, New York, and at State Fairs throughout the country.

No other article of human food has ever received such high, emphatic, and universal endorsement from eminent chemists, physicians, scientists and Boards of Health all over the world.

NOTE.—The above DIAGRAM illustrates the comparative worth of various Baking Powders, as shown by Chemical Analysis and experiments made by Prof. Schedler. A pound can of each powder was taken, the total leavening power or volume in each can calculated, the result being as indicated. This practical test for worth by Prof. Schedler only proves what every observant consumer of the Royal Baking Powder knows by practical experience, that, while it costs a few cents per pound more than ordinary kinds, it is far more economical, besides affording the advantage of better work. A single trial of the Royal Baking Powder will convince any fair minded person of these facts.

* While the diagram shows some of the alum powders to be of a comparatively high degree of strength, it is not to be taken as indicating that they have any value. All alum powders, no matter how high their strength, are to be avoided as dangerous.

Ayer's Cherry Pectoral

Will cure a Cold more thoroughly and speedily than any other preparation in use. This medicine is especially beneficial in all affections of the Throat and Lungs, and affords effectual relief even in the advanced stages of Consumption. Thousands of cases of Pulmonary diseases, which have baffled every other expedient of human skill, have been completely cured by the use of Ayer's Cherry Pectoral. **For fifteen years I was afflicted with Lung troubles. Ayer's Cherry Pectoral relieved the distressing symptoms of this disease, and entirely cured me. It is the most effective medicine I have ever used.—C. M. Fay, Prof. of Anatomy, Cleveland, Ohio.

While in the army I contracted a severe Cold, which settled on my Lungs, resulting in exhausting fits of Coughing, Night Sweats, and such loss of flesh and strength that, to all appearance, Consumption had laid its "death grip" upon me. My comrades gave me up to die. I commenced taking Ayer's Cherry Pectoral, and it

Last year I suffered greatly from a Cold, which had settled on my Lungs. My physician could do nothing for me, and my friends believed me to be in Consumption. As a last resort, I tried Ayer's Cherry Pectoral. It gave immediate relief, and finally cured me. I have not the least doubt that this medicine

CURED ME.

In the twenty years that have since elapsed, I have had no trouble with my Lungs.—B. B. Bissell, Editor and Publisher Republican, Albion, Mich.

Ayer's Cherry Pectoral cured my wife of Bronchitis, after friends and physicians (so severe was the attack) had almost despaired of her life. She is now in perfect health.—E. Felter, Newtown, O.

When about 22 years of age, a severe Cold affected my lungs. I had a terrible Cough, could not sleep, nor do any work. I consulted several physicians, but received no help until I commenced using Ayer's Cherry Pectoral. I continued to take this medicine, and am satisfied it saved my life.—C. G. Van Alstyne, P. M., North Chatham, N. Y.

SAVED MY LIFE.

I am now ruddy, healthy, and strong.—James M. Anderson, Waco, Texas.

Ayer's Cherry Pectoral cured me of Throat and Lung troubles, after I had been seriously afflicted for three years. The Pectoral healed the soreness of the Lungs, cured the Cough, and restored my general health.—Ralph Felt, Grafton, O.

Twenty years ago I was troubled with a disease of the Lungs. Doctors afforded no relief, and said that I could not live many months. I commenced using Ayer's Cherry Pectoral, and, before I had finished one bottle, found it was helping me. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life.—Samuel Griggs, Waukegan, Ill.
