

Recognizing that the Convention on the Prohibition of Chemical Weapons
The States to this Convention,

Desiring to contribute to the realization of the objectives of the
of the Charter of the United Nations,

Recalling that the General Assembly of the United Nations
has repeatedly condemned all attempts to use chemical weapons and objectives
of the Protocol for Prohibition of the Use in War of Asphyxiating, Poisonous
or Other Gases, and of Bacteriological (Biological) Weapons, signed at Geneva on
17 June 1925,

Recognizing that the Convention reaffirms the principles and objectives of
and obligations assumed under the Geneva Protocol of 1925 and the
Convention on the Prohibition of the Development, Production and Stockpiling
of Bacteriological (Biological) and Chemical Weapons and their Destruction,
signed at London, Warsaw and Washington on 10 August 1948,

Desiring to contribute to the realization of the objectives of the Convention
on the Prohibition of the Development, Production and Stockpiling of
Bacteriological (Biological) and Chemical Weapons and their Destruction,
signed at London, Warsaw and Washington on 10 August 1948,

Recognizing that the Convention reaffirms the principles and objectives of
and obligations assumed under the Geneva Protocol of 1925 and the
Convention on the Prohibition of the Development, Production and Stockpiling
of Bacteriological (Biological) and Chemical Weapons and their Destruction,
signed at London, Warsaw and Washington on 10 August 1948,

APPENDIX I

Desiring to contribute to the realization of the objectives of the Convention
on the Prohibition of the Development, Production and Stockpiling of
Bacteriological (Biological) and Chemical Weapons and their Destruction,
signed at London, Warsaw and Washington on 10 August 1948,

Recognizing that the Convention reaffirms the principles and objectives of
and obligations assumed under the Geneva Protocol of 1925 and the
Convention on the Prohibition of the Development, Production and Stockpiling
of Bacteriological (Biological) and Chemical Weapons and their Destruction,
signed at London, Warsaw and Washington on 10 August 1948,

Desiring to contribute to the realization of the objectives of the Convention
on the Prohibition of the Development, Production and Stockpiling of
Bacteriological (Biological) and Chemical Weapons and their Destruction,
signed at London, Warsaw and Washington on 10 August 1948,

Recognizing that the Convention reaffirms the principles and objectives of
and obligations assumed under the Geneva Protocol of 1925 and the
Convention on the Prohibition of the Development, Production and Stockpiling
of Bacteriological (Biological) and Chemical Weapons and their Destruction,
signed at London, Warsaw and Washington on 10 August 1948,
