

THE GRADUATES' SOCIETY OF
McGill University

Montreal, Jan. 19th, 1920.

Dr. Frank Adams, F.R.S.,
Principal,
McGill University,
Montreal.

Dear Dr. Adams :-

At a meeting of the Executive Committee of the Graduates' Society held on Friday, January 16th, the question of "Student Advisers" came under discussion. It was pointed out that there were already organized "Student Advisers" in the faculties of Arts and Science but none in Law or Medicine. I was instructed to write to you to ask whether you considered the system of "Student Advisers" a good one, and whether the system should not be made universal for all faculties,

The Executive Committee are of the opinion that the "Student Advisers" are very necessary in a University like McGill, and they would be glad to help in any way to make the system more general.

I remain,

Yours faithfully,

EXECUTIVE SECRETARY

JW J/DP
