

policy of expansion in Mongolia and Manchuria of the Imperial Government and complete the creation of the new empire.

#### TALING RIVER VALLEY OF PEKING-MUKDEN RAILWAY

The Taling River Valley is a wide area sparsely populated but infested with bandits. Many Koreans have made investments here, especially in rice field. Judging from its resources, this region is bound to be prosperous. It will also be an advantageous foothold for us if we want to expand into the Jehol region. We should give full protection to our Korean subjects here and wait for an opportunity to secure from China the right of colonization so that our immigrants may live here and act as our vanguards to Jehol and Mongolia. In case of warfare, this valley will be a strategic point to quarter large armies of soldiers. We shall then not only check the Chinese soldiers from advancing north but also hold the key to the immense wealth of South Manchuria. When Koreans come into this region we should finance them through our Trust and other financial organs with a view to gaining for these organs the actual ownership while the Koreans may satisfy themselves with the right of farming only. Ostensibly the ownership of land must reside with the Koreans. It is a convenient way of securing rights from the Chinese government. Henceforth the trust companies and financial organs should give them full backing when our own and Korean subjects wish to gain land ownership. If they need money to buy farms from the Chinese, the financial organs should also come to their aid. Unnoticeably we shall gain control of the better rice fields which we may give to our own emigrants. They shall displace the Koreans who in turn may go on opening new fields, to deliver to the convenient use of our own people. This is the policy with respect to the colonization of rice field and bean farms. As to the policy for herd farming, the Development Company should be especially entrusted gradually to expand, eventually placing all the wealth of herds at the disposal of our country. This same company may also take care of horse breeding and select the best out of Mongolia for the use of our national defence.
