Desmond A. Clarke, Esq.,
President, Clarke Steamship Company Limited,
QUEBEC, P.Q.

Dear Mr. Clarke:-

May I, on my own behalf and on behalf of the party going to Newfoundland and all others interested in scientific effort, thank you most sincerely for the arrangements you have been good enough to make to transport the party on the "NEW NORTHLAND" on August 10th, and for your generous treatment in the matter of fares, transportation of baggage, etc. Dr. Eve has told me how courteous the office staff has been here.

With this inadequate expression of our sincere appreciation of your courtesy,

I am,

Yours faithfully,

Principal.
