Dean H. Barton,
Faculty of Agriculture,
Macdonald College, Que.

Dear Dean Barton:-

I am glad to learn by your letter of yesterday that the Minister of Agriculture has granted the College \$1000.00 to pay the board and room of the farm boys who are expected to attend Farm Boys' Week.

I have made a note of the evening of July 5th and will try to attend, although there is a possibility that I may be at my old home in Ontario about that time. If I am in Montreal I shall attend the dinner.

I am today writing a letter to the Minister.

Yours faithfully,

Principal.
