Edward Wood, Esq.,  
Colonial Office,  
Downing Street,  
London, S.W.1.

My dear Mr. Wood:-

I have just said goodbye to Major Furse, having left him at the University of Montreal which is the principal French-Canadian University of this Province. I hope he succeeds in interesting them, because it would be a very good thing if some Colonial appointments could be filled by French-Canadians. It would indicate to them in a positive way that they were regarded as just as good British subjects as any others.

Major Furse leaves this afternoon to visit Dalhousie University in Nova Scotia. His visit to the Conference of Canadian Universities at Winnipeg was very much appreciated and I am sure will result in much good. He is satisfied with what he has been able to accomplish on the trip and I believe has succeeded in making workable arrangements.

With all good wishes, I am,

Yours faithfully,
