Young Men's Trousers, navy blue diagonal serge of smooth finish, and dressy About the Spring Suit for Young Men

Styles That Bear Out the Advices From Style Centres Regarding the Slim Effect

We display Monday a few of the early and new arrivals in young men's suits for Spring. They are built along modified English lines, the outstanding features showing a decided trend to the slim effect that is to be the correct mode for Spring 1912.

There is one in fawn shade, with narrow brown stripes 1% inches apart, with a self-stripe between, the fabric being in Spring weight. It is made single-breasted, with coat fairly long and has the approved modulating curve at the waist line, which, together with natural shoulders and peaked lapels, give the effect desired. The trousers fit snugly at waist and have cuff bottoms, side straps at waist as well as loops for belt. This is a splendidly finished and stylish suit for the young man who desires be well dressed; sizes 32 to 37. Price 10.00

Another line shown Monday in same style is in smooth fancy stripe worsteds in new shades of brown and stone grey, finished with lustre linings and trimmings to

Youths' Suits in Navy Serge

A navy blue serge suit perfectly fast in color, made in single and double-breasted, three-button sack styles and beautifully tailored and finished; sizes 31 to 35 chest.

Dainty Art Books, at Each 10c

An English line that appeals strongly to art students and collectors. Fancy Feather Mounts

Promise to be a strong factor for millinery trimming the coming season and our importations just being opened disclose many striking and effective mounts. The effect of the Durbar at Delhi is shown, and many of the mounts are characteristic in color of India. As many as half a dozen vivid colors are daringly combined in a number of cases, and the majority come in a number of combined colors.

The Numidi mounts are specially in evidence, and were shown in Paris, Vienna and New York as a leading feature. It is a long, slender shaggy mount, and is used singly or combined with a small

Very small, chic, little wings, and fancy effects are shown, also long, slender flowing mounts, and prices range from 25c to 6.00

The Spring Hat for Men

men which has just reached us from New York is one portraying artistic lines that are particularly pleasing to the eye as well as becoming to the wearer. A Superb Showing of Boys' Fancy Suits for Spring

Tastily displayed on life size models—in the Boys' Clothing Section—is a magnificent array of newes: styles in fancy

Russian and sailor suits for small boys. These are all American conceptions that accentuate more than ever the remarkably snappy style and finish that is characteristic of American clothes for the boy, and which after all is merely a recognition of the great demand for suits of such a character. Here is a brief review of models shown:

Boys' New Fancy Russian Suits, in two styles, a military style buttoning up side to shoulder, and one with sailor collar and separate front. They are made from dressy fancy woven material in medium shade of greys and browns neatly lined and trimmed and with knot tie and leather belt at waist. Bloomer trousers with elastic

J. Kerr Lawson of London and W. H. Clapp of Montreal Were Admitted to Membership.

At the annual meeting of the Canadian Art Club the following officers were re-elected: J. R. Wilkie, hon. president; Homer Watson, president; Edmund Morris, hon. secretary; J. M. J. Kerr Lawson of London, England,

and Mr. W. H. Clapp of Montreal were to London he became intimate with the late Mr. G. F. Watts, who invited him to hold an exhibition of his pictures in his studio. These were of rare excellence and brought him success. Latterly he has given his time to mural painting, compositions of Italian landscapes and buildings. He is one of the founders of the Senefilder Club of London, its object being to revive lithography as a fine art. Amongst other work of this kind he made a series of ten litho-tints of Italian palaces. His lithograph portraits of William de Morgan and Maurice Haw-
