Roosevelt Announces to Congress His Grave Concern - Settler Should Be Protected.

Washington, Dec. 17.-In a message to congress to-day President Roose

"I am gravely concerned at the extremely unsatisfactory condition of the public land laws, and at the prevalence of fraud under their present provisions. For much of this fraud the present laws are chiefly responsible. There is but one way by which the fraudulent acquisition of these lands can be definitely stopped and therefore I have directed the secretary for the secretary and pagent. of the interior to allow no patent to be issued to public lands under any law until by an examination on in the centre. A nervous headache will be cured if this violet be held under the nose, as it exhales the refreshing odor of the real flower. recommend that a bill be enacted which will provide for government odor of the real nows.

'A 'rose' vinaigrette is composed of a single rose leaf in pink enamel, bearing a dewdrop in the shape of a moonstone. This moonstone when pressed releases a spring which opens the box, and at the same time throws out a spray of 'moss rose' scent."

Women's Art Association.

its needs and should authorize the collection of a reasonable grazing fee. Above all the rights of the settler and homemaker should be absolutely guarded.

"The Timber and Stone Act has demonstrated conclusively that its effect is to turn over the public timber lands to great corporations. It has done enormous harm, it is no longer needed, and it should be repealed. The Desert Land Act results so frequently in fraud and so comparatively seldom in making homes on the land that it demands radical amendment.

Its needs and should authorize the collection far reasonable grazing fee. Son refused MacKay admission to the country. He declined to make public the reasons for the detention MacKay attributes it to his arrest in Windsor, Ont., on charges of handling questionable literature in 1889, and has been in communication with Washington.

Friday MacKay and Mrs. Mason decided to go to Windsor, Ont., and left St. John on the C.P.R. train. The Quebec border MacKay was ordered back, and both have arrived here again.

CAN'T LEAVE CANADA.

"Flying Hoiler" Will Appeal to Government to Know Why.

St. John, N.B., Dec. 17.—David L. MacKay, a member of a sect in Detroit, Mich., and Ontario, called Flying Rollers, who was detained here recently by a U. S. immigration in spector, has decided to lay the case before the Canadian government. Mackay landed here several days ago on his way from England to Detroit, where he is manager of the New Eve Printing Company, With him was Mrs. E. L. Mason, a wealthy English woman, for whom he acts as secretary U. S. Immigration Inspector Harrison refused MacKay admission to the country. He declined to make public the reasons for the detention. MacKay attributes it to his arrest in Mr. Garthwaite said that South Africa.

Mr. Garthwaite has come directly from the neighborhood of Victoria Falls, on the Zambes River, and said:

"The Victoria Falls are the largest in the world, and when the work of utilizing them for electrical power is completed I am confident that it will revolutionize the diamond industry in South Africa. I mean by this that the transmission of power from the falls to the mines will reduce the actual working cost about 40 per cent. The great hordes of coolies now at work can be in a great measure dispensed with, and the high powered steam engines used in running the ore crushers will be supplanted by dynamos, which will be run by power transmitted from the falls 657 miles away. "The power will be used also in the working of the gold mines at Witwaters Rand, some 700 miles from the Falls."

Mr. Garthwaite has come directly from the neighborhood of Victoria Falls, on the Zambes River, and said:
