THE WORLD IN THE UNITED STATES.

question which has been referred to us, seldom heard of, much less dreamed of, by cause we are unable to perceive the many who deem themselves fairly well informed upon public affairs. And it speaks signs of any spontaneous and permanent well for woman's disinterestedness and un change in this direction, and we see no selfish conscientious devotion to her kind. other prospects of arresting that con- that, although she gets no practical rec stant and progressive fall in prices ognition, such as the holding of public po sitions or even the right of using the ball lot, she still holds herself responsible the cause which lies at the root of agri-

certain moral and sanitary condition the community, which, without her sistent and persistent attention, would de velop, under the laxer rule of men, into menaces to the public health, moral and physical.

Owing to the fact that wor

as yet recognized as active pol

that they do not sit in legislatures, or in

municipal councils, much of the good work

When it is taken into consideration, too, that much of the work which women have done for the benefit of the public health has not only not been encouraged by the adian Government with take aport of various municipalities in which it has been undertaken, but that it has been met with Now, we should like to know who these "leading lumber operators" were and who the "others" were. Indeed, that sweetness and light and health might prevall, is very great. The individual knows what a persistent, nagging, unwear-ied thing is conscience; but he also knows that its constant aim is for his better-Legislation Providing for Registrament, and that without its sleepless watch

> Abolition of the Secret Ballot, and That ties-to be a sort of conscience, the alert, keeping the world about them up to a high standard of sanitary measure which bring untold good in their train.

The Ladies' Health Protective Associa tion of New York was one of the first of ganizations of the kind and arose out of a great necessity. Eleven women living on Beekmen Hill had suffered from the foul odors arising from an adjacent manure heap and at last decided to abolish the nulsance. They clubbed together and pro eded to investigate. They found that W. V. Todd and L. Miller, Toronto : the manure heap, which was 200 feet long and 30 feet in height, belonged to one Michael Kane, who had a brother-in-law in the Senate at Albany; hence his "pull." "Whereas it is intended to make appli-cation at the next session of the Dominion Parliament for legislation providing for the "(b) That in the price of beef there has been in the same period a fall rang-customed to the ignorant bluster of our in the same period a fall rangit was finally removed. Kane, shortly af-terwards, with the assistance of the Sen-ate, tried to re-establish his dumping ground in another quarter, but the women sist by communicating with their Par ows upon this case: "The astonishing feature of this affair, as legislation on the subject, and predicted success at the next session of Parliament. lows upon this case:

Drunken Row-Nated Crook Arrested as a Vagrant.

Hamilton, Sept. 14.--(Special.)-The fu-neral of the late F. J. Rastrick took place this afternoon and was attended by a large service at Ascension Church, and the Masonic rites were conducted by Acting W.M. L. Lee, R.M. Bro. George C. Holden, P.D. D.G.M., and R.W. Bro. Dr. Emory, D.D.

The Board of Education committee select. ed to make arrangements for the official opening of the new Collegiate met for a short time this afternoon and then adjourned until Monday or Tuesday.

There was a disgraceful drunken row in the house of George Mead, a blind man, on Hughson-street to-night. When the police arrived they found Peter Kergan on the floor insensible. His wife said he had been kicked. A doctor was called and Kergan was pronounced dead drunk. He was taken was pronounced dead drunk. He was taken to the cells. This evening Detective Bleakly arrested

The Buyers' and Merchanis' Association sued Grocer F. Hall before Judge Morson vesterday for \$25 due owing to alleged breach of contract. Hall claimed misrep-resentation on the part of plaintiff's agent, and after a lot of legal argument judg-ment was given defendant without costs.

The Bay-Street Stabbing Case. John Nagle, who is accused of stabbing Robert Gillespie at Bay and Adelaide streets on Aug. 20, appeared again in yes-terday's Police Court, but was not ready to go on with his defence, so the case was remanded till to-morrow.

Charles Cameron, Collingwood, is at the The Union Label.

Rossland, B.C., Sept. 14.—A man name Priviet was held up by a highwayman or Saturday near Grand Forks. Priviet re-sisted and the highwayman tried to shoot him, but the gan missed fire. Priviet sent a bullet very close to the robber, who start-ed to run and received another shot, which brought him to his knees. He managed to get up and staggered into a thicket, leav-ing a track of blood behind him. Twenty men are out hunting for him now.

An Evening With Dahlias

An Evening With Bahilas. The regular monthly meeting of the To-ronto Horticultural Society was held in St. George's Hall, Elm-street, last evening. An essay on "Dahlias," prepared by Mr. Ed. Grainger of Grainger Bros., this city, was read, and proved that he was quite conver-sant with the subject, the essaw being most interesting and instructive. Next month's meeting (Oct. 5) will be devoted to the planting of fall bulbs. Projection of Dock Hands.
