DEGENERATE IDA KNIGHT!

In Court Yesterday Fully Confessed Committing Sensational Clarke Township Outrages.

THE LORD TOLD HER TO TELL ALL,

Though the Reason for Her Deeds Was Not Forthcoming—Goes to Cobourg Jail.

Bowmanville, Ont., Dec. 8.—The sensation at J. Frank Osborne's that has set the whole community in a terrible dread lest their homes should next be visited came to-day to a sudden climax by the confession of the girl, Ida Knight, to being the perpetrator herself of all the shocking devilry done at Mr. Osborne's. Yesterday Ida was arrested by Chief Jarvis as the result of his investigation on Wednesday, after the attempted incendiarism for the second time. To-day she came before Police Magistrate Haines on a charge preferred by Chief Jarvis of attempting to burn Osborne's house.

Lord Told Her to Confess.

Last night Ida slept in the Home for the Aged, and this morning she requested a private interview with Chief Jarvis, when she told him the Lord told her during the night that she was to tell the whole truth and she then confessed to everything in connection with the destruction of the property at Osborne's, the mixing of Paris green in the provisions, groceries, preserves, the two attempts to fire the house, and the writing of the mysterious bits of composition that are too profane to publish and which were found in the house on Monday.

No Cause for the Deed.

She says she had no cause for committing the terrible deeds, that Mr. and Mrs. Osborne had always treated her kindly and she liked them both. She can give no reason or inducement whatever for her conduct. Why she tried to connect her own brother with the affair is equally puzzling.

Sensation in Court.

A great sensation was caused in the court when Chief Jarvis gave his evidence of the confession, as people could not conceive of such a little girl, only 13 years old, and small of her age, doing such dastardly acts. Se acknowledged all the crimes alleged to have been committed at Osborne's the last few days and was committed to Cobourg for trial at the next assizes.

A Trusted Servant.

She is a bright, rather intelligent lass with fair complexion, and has lived with Mrs. Osborne for nearly two years. She has been trusted in every way, as may be judged when she was left Sunday night with the four young children in the country home away from other neighbors.

Many people still believe so young a girl incapable of performing unaided such diabolical deeds as are laid to the charge of little Ida Knight, and it is certainly very mysterious conduct for a mere child.

The Wabash Railroad

Is the shortest and true route from Canada to the west and southwest, the great winter tourist line to California, Mexico, Texas and all southwestern points.

A Magic Pill—Dyspepsia is a foe with which men are constantly grappling, but cannot exterminate. Subdued, and to all appearances vanquished, in one, it makes its appearance in another direction. In many the digestive apparatus is as delicate as the mechanism of a watch or scientific instrument, in which even a breath of air will make a variation. With such persons disorders of the stomach ensue much suffering. To these Parmelee's Vegetable Pills are recommended as mild and sure. ed
