Great Clearance of High-Class Furniture

Including American Models and Samples

On Exhibition Today
On Sale Tomorrow
(Fifth Floor)

This is the aftermath of the biggest February Furniture Sale we ever held. There are **NEARLY ONE HUNDRED PIECES OF THIS SUPERB AND ARTISTIC FURNITURE**, most of it made up as sample show pieces from choice selected wood and by expert cabinet makers.

The entire offering averages **LESS THAN HALF-PRICE**, and there articles at less than one-third of the original price, with some pieces actually one-fourth the regular figures. The reason is this: they are not absolutely perfect—they show some scratches and other blemishes which the salesmen will point out to you, for you could hardly find them otherwise. Most of them have done duty as samples and at Furniture Exhibits, hence this great opportunity to buy them at a fraction of their original prices.
