

THE SIMPSON STORE

"Preparedness" for Exhibition Time is the Watchword Here Today

Get Ready! During the next three weeks all roads will lead to Toronto and the Exposition, and hundreds of homes will be thrown open to the visitors. We have made great preparations to supply the manifold needs of these homes in accommodating the season's guests.

The August Furnishing Sales comprise hundreds of special values that will be helpful. You can make the improvements in your home permanent by joining the **HOMELOVERS' CLUB** and buying now the grade of furnishings you really want, instead of those that merely "will do." See Club Secretary, 4th Floor.

Southwest After

The heart of the Southwest is a vast, fertile land of well-watered fields and orchards. The early harvest of the season is now being gathered in, and the people are busy with the work of the field. The weather is just what is needed for the crops, and the people are looking forward to a good yield.

Southwest After

The heart of the Southwest is a vast, fertile land of well-watered fields and orchards. The early harvest of the season is now being gathered in, and the people are busy with the work of the field. The weather is just what is needed for the crops, and the people are looking forward to a good yield.
