NIGHT SWEATS

CONSUMPTION

Loss of fiesh, fickle appetite, tongue coated, and all such symptoms are indications that the most insidious of diseases, Consumption, "the curse of centuries," is at this very moment smoldering like an inactive volcano within you, weakening your lungs and consuming your vitality.

Tuberculosis is caused by germs which poison the blood, and this upon being diffused through the body creates havoe with the health.

The delicate membranes of the

health.

The delicate membranes of the lungs render these organs very susceptible to injury from this germ poison, and it is only a short time till ulcers or tubercules begin to form, thus destroying healthy lung tissue.

lung tissue.

A subtle disease that creeps steadily on, masquerading under the most innocent disorders—a slight cough, pains in the lungs, etc., while the victims often remain apparently healthy.

It is well to heed the first cry of nature for help, and take Psychine, a medicine with a purpose—the destruction of tuberculosis germs.

Psychine cures ninety-nine cases

YOUNG FOLK AND THE CHURCH HOW TO KEEP THEM TOGETHER

General Secretary of C. E. Union Points Out Some Weak Spots to the Local Societies.

"The growing young of the church t is estimated that 60 per cent, of the funday school scholars are ultimately lost to the church. Ninety-eight per cent. of the criminals in the Ohio State Penitentiary claimed to have been members of Sunday schools.

"Trying to hold these youth, we teach them from the pulpit, the Sunday school, the home and the public school. Are we as eager to give them a chance to express the truth learned in deeds done The lad's thought of religion is bound up with the church building. Some small ministry there will tide him over times of indifference or doubt and give him the serviceable conception of reli-gion. It is fatuous to expect a young man to become a worker for the church at twenty-five when he is allowed to be an idler at ten. Some form of organization for this purpose of putting the young to work is wise. It would be a distracting task to keep fifty young men at work, dealing with them as in dividuals only. A boy likes to be of ganized, always does belong to som

Such was part of the message which Von Ogden Vogt of Boston, general sec-retary of the International Christian Endeavor Union, delivered to a mass meeting of members of local young people's societies of all denominations in Knox Church last night. This is his first visit to Toronto and he comes from

6. Canadian Associated Press Cable.)
Londou, Feb. 10.—The G.T.R. reports
that the gross receipts for the half year
into Doe. 31. amounted to £3.120.800, and
working expenses £2.205.100, leaving a net
revenue of £924.700. Deducting debenture
charges of £507,200 and adding a surplus of
f14.500 of the Detroit and Grand Haven
Kailway, there remains a balance of £432.606. With £4300 brought in, £433,300 is
available. This suffices to pay the half
year's dividend on both first and
second preference stocks, leaving £6500 to
be carried forward. Last year the third
preference stock received 2 per cent, and
200 was carried forward.

520 Per Cent. Miller Free.

plain scaled envelope. Correspondencessored by confidential. Enclose stamp for reply, it is that he had been married to 10 women. Hoch also said that he had once intended to commit suicide, and that a white powder found in a fountain pen taken from his room in New York City, was a poison, which he had purchased with macy, 1466 West Queen-street.
