COUNCIL FIRE IS SCOUT PLAN

Big Gathering of Lads at
East Saint John Being
Arranged

Other Important Matters Come
Into at Supper Gathering
of Leaders.

As soon as it can be arranged there is to be a big gathering of all of the Scouts of the city at a "Council Fire" in East Saint John and as part of a very busy season's programme for Scouts in this district there will be a winter training course for Scoutmasters and leaders and a practical training course for patrol leaders. These three important decisions were made at a meeting of the Scout leaders held last night as a supper gathering at the Mission troop rooms. The ladies' committee of the troop served the supper and were heartily thanked. Roland Frith welcomed the Scouts on behalf of the Mission troop and paid a glowing tribute to the value of Scouting. Dr. G. B. Peat, district commissioner, replied. Hon. B. J. Ritchie, chairman of the Boys' Industrial Home troop committee, spoke of the benefits of Scouting and the progress made by the local organization. He also spoke in favor of total abstinence.

SPLENDID RECORD.
Dr. Peat spoke of the splendid record of the last year, expressing confidence that the work would go ahead to still greater success in the coming year.

Dr. G. G. Corbett spoke of the first aid work done under the auspices of the St. John Ambulance Association and announced that the Scout leaders' team from Saint John, which had come second in the Dominion trophy competition had been only a quarter of one point behind the winning team, the Winnipeg First Aid Brigade. As the Saint John Scouts were entered in the competition for the first time and the winning team had had much experience, it was thought the showing was most remarkably good. The members of the Saint John team received their medallions as runners-up in the Dominion competition and the presentation was made by Dr. Corbett. Those receiving medallions were C. G. Hoyt, Donald W. White, L. G. Pincombe and L. L. Johnson. They were accorded very hearty applause. They each also received a first aid certificate for successfully completing the course of instruction last year. R. E. Adams also received a certificate. Other members of the class entitled to receive them but who were not present last night were N. Smith, N. G. Smith and H. B. Wetmore.

CONGRATULATIONS.
E. A. Schofield congratulated the leaders on the great strides Scouting had made. He was heartily thanked for his own interest and assistance in the work.

The assistant district commissioner welcomed the new Scout leader, Arthur Anglin, who is vice-president for Rover Scouts. Miss Irene Barber, secretary of the St. John Ambulance Association, who has always been a good friend to the Scouts and who had given splendid assistance as coach for the first aid team, was accorded the high distinction of receiving Scout honors. When plans for the big gathering of Scouts at East Saint John were discussed O. J. Lawson was appointed

chairman of a committee to make arrangements and those who were named to work with him were the assistant district commissioner and the district secretary. It is hoped to make this an annual event.

Scoutmaster Norval Lambert, of St. George's troop, received from Dr. Peat the certificate for the third part of the Gilwell course, which he had completed successfully.

The remainder of the evening was spent as a troop meeting and the Scouting games under the direction of L. L. Johnson were specially enjoyed.

GRAND OPERA STARS
FOR RADIO AUDIENCE
Leading Artists of Musical
World Signed Up for Winter
Concerts
BROADCAST FROM N. Y.

(Special Dispatch to the Globe)
NEW YORK, Sept. 25.—Twenty-two of the world's leading opera and other musical stars have just signed contracts to sing to radio audiences in the fall and winter, when they will take part in a series of weekly Sunday night concerts to be broadcast by the American telephone and telegraph company's radio station WEAF.

Announcement of plans for the radio concerts were made today by artists and sponsors who gathered at the radio station, where they signed the most open season, including the last of the season. The program was announced by the radio station, which will broadcast the series of Sunday night concerts.

You could not hear one of these Stars in a concert recital for the cost of one "B" Battery. But you can enjoy them all by tuning in one of these stations every Sunday evening. Surely an investment in new Eveready Radio Batteries is worth while, now!
