MAIN ST. CHURCH TO LOSE PASTOR

Rev. Dr. Hutchinson Announces Retirement
Next April.

IS 20 YEARS THERE

News of Decision to Leave
Pastorate Brings
Regret.

The feature of a reunion of the Main street Baptist choir, held last evening, was an announcement by Rev. Dr. Hutchinson that at the end of the present pastoral year, April 30, he would bring his ministry in the church to an end, having rounded out 20 years of service.

The members of the choir, music committee and friends, to the number of about 85, spent a most enjoyable evening. At the conclusion of the regular practice a comedy singing, led by Bayard Sitwell, was participated in by all and this was followed by solos by Miss Ethel Parvic, Miss Jessie Jamieson and Percy Crulshanks and readings by Dr. Hutchinson.

Following this adjournment was made to the supper room, where a committee composed of Mrs. F. W. McAlary, Miss Bessie Burk, Mrs. G. Cowan and Mrs. W. Edgett, prepared a tempting repast. The tables were trimmed with Halloween decorations and looked most enticing.

W. H. White, who has been chairman of the music committee for about 20 years, presided and extended a welcome to the new members of the choir. Short addresses were also delivered by several others. Rev. Dr. Hutchinson spoke of the excellent service which had been rendered by the choir of the church during his pastorate and voiced his appreciation of the present choir. He reminded those present that on April 30 next he would complete 20 years as pastor of the church and it was his purpose to end his pastorate at that time. This did not necessarily mean that he would be leaving the city and it was possible he might still reside here.

Born in England.
Rev. David Hutchinson was born on March 19, 1855, at Twowaters, England, and his boyhood was spent at that place, King's Langley and Watford, England. His early manhood was spent in Belfast, Ireland. He studied at Harley College, London, the famous missionary training institute, and graduated from that institution in 1878. Following his graduation he accompanied Rev. J. Bromley Newland, of Ayr, Scotland, to St. John, N. B., and several other United States cities, going as far west as St. Louis, on an evangelistic tour, and made quite a name for himself at that time as a traveling evangelist. He was ordained to the Baptist ministry at Ingersoll, Ont., in 1881 and in the same year was married to Miss Nellie C. Emerson of Providence, R. I. In the year 1882 he was called to the Baptist church at St. Thomas and spent five years as pastor of that church. Following this he was for 15 years at Park Baptist church, Bradford and four years at the First Baptist church, Moncton. In the year 1905 he came to the Main street Baptist church. In the year 1909 his service to the denomination and his scholarship were recognized by the conferring of the degree of D. D. by Acadia University.

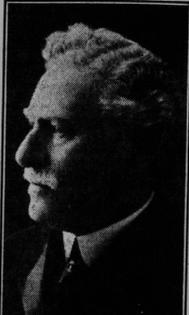

He has always taken a keen interest in denominational matters and especially in the home and foreign missionary enterprises of the church. For the last 36 years he has been on one or other of the foreign missionary boards and has been a member of the Baptist Foreign Mission Board of Canada since its formation in 1911 and chairman of the extra section since 1920.

Dr. Hutchinson has been an active worker in the temperance movement, a member of the Orange Order and of the Knights of Pythias. He is an ardent naturalist and fisherman and loves the great outdoors.

A great sorrow came into his life on November 11, 1923. Two children, a boy and a girl, died in childhood and two are living—William H. London, Ont., and Miss Grace End, of Mount Sinai Hospital, New York.

News of Dr. Hutchinson's intention to leave the pastorate of Main street church is sad news to them as he has been a high place in their regard in the busy days of his spiritual charge at this prominent Baptist church.

Some wonderful and mysterious feats of magic and amazing mind-reading stunts were given and dancing was also enjoyed. Refreshments were served under the co-sponsorship of Miss Mary Wilcox. The evening was brought to a close with a sing song and hearty cheers for the host and hostess.

ODD CASE IN COURT

P. Duke Clear of False Pretences, But Sentenced for Stealing.

Pleading guilty to a charge of stealing an overcoat from James Duffy of Main street, Patrick Duke was this morning sentenced by Magistrate Henderson to three months in jail. He pleaded guilty, but when additional charges of obtaining goods under false pretences from John Lloyd and W. B. Purdy were read he pleaded not guilty. Francis Lloyd told of the defendant's charges of obtaining goods under false pretences from John Lloyd and W. B. Purdy were read he pleaded not guilty. In answer to Magistrate Henderson, the witness said the defendant had not said Mr. Simonds sent him for the pipe, but had merely informed him to collect the money from him. Magistrate Henderson informed Sergeant Rankin, who was prosecuting the case, that the defendant could not be charged with obtaining goods under false pretences in that case.

In a case of purchasing a pair of chickens from W. B. Purdy, Lee Colwell, a clerk, said that the defendant had asked him for the chickens, and when informed of the price instructed him to collect the money from a man named Simonds. He had not said Mr. Simonds had sent him. The charge of procuring goods under false pretences in this case was also thrown out.

Special Constable McBrien informed the magistrate that the defendant had also secured a stove from Quinn & Co., and had also informed the proprietor to secure his money from a Mr. Simonds. He said he had pawned the stove, and Mr. Quinn was anxious to get possession of it.

Magistrate Henderson remarked that it seemed that north end business men were slack in giving goods to a stranger and allowing him to charge it to another party. He asked the defendant if he was willing that the owner of the stove procure it from the pawn dealer by paying the same amount that he had received for it. The defendant acquiesced and he was then ordered that he would have to go to jail for three months for stealing the overcoat.

CHILDREN WILL REVEL TONIGHT

Imperial Prizes for Halloween Get-ups Add Snap to Youngsters' Plans.

The Times-Star announcement last evening that prizes in cash would be awarded Halloween masqueraders at the Imperial tonight and that there would be a parade of the contestants on the Imperial will tonight appear like Broadway and other New York streets on New Year's eve and Thanksgiving eve when the prankish youngsters, attired in grotesque garbs, dash in and out among the crowd playing feather ticklers and enjoying their innocent fun, much after the idea of the Mardi Gras carryings-on in the south and fete in the Old Country.

The plan tonight is this: If the children take to the idea set forth as it is thought they will they will be taken to the Imperial stage and shown to the audience. Judgment of the best impersonations and funniest costumes will necessarily have to be snapped. The prizes will be announced from the stage, if plans carry.

The Halloween idea of the Imperial Times-Star is not a serious contest or a money-making scheme. It is merely a little participation with the kiddies in their witch-night fun, something to give them an extra thrill since the police have quite rightly put the ban on the oldtime deprecation acts. The prizes tonight will be four awards of \$2.00 each for the best girl and best impersonation, funniest get-ups worn by boy and girl.

MOTORMAN IS FINED; COURT LETS IT STAND

John Rowley, a motorman of the street railway, was a judged guilty of violating a street traffic by-law by starting his car at the intersection of Pond and Mill streets on October 28 before receiving a signal from Traffic Policeman Quinn, and for neglecting to stop when ordered to do so. He was fined \$10, but as it was possible there was a misconception of the traffic policeman's signal, the fine was allowed to stand.

Mr. Rowley testified that he saw the traffic policeman signal and interpreted it to mean for the car to proceed. He said he did not see him signal for him to stop his car.

Edward Doggett, who was a passenger on the car, said he had seen the traffic policeman signal and interpreted it to mean for the car to proceed. Magistrate Henderson said the traffic policeman had an important position and should be in a position to judge whether or not a violation had been committed. He gave the defendant the benefit of the doubt but a misconception of the signals, but considered that he had been at fault and struck the fine.

TWO TAKEN IN.

Two men arrested last night on charges of drunkenness were later given their freedom by depositing \$8. As they failed to appear in the police court this morning their deposits were forfeited.
