WILL THESE DATES CLASH?
Since the reply from Ottawa to Premier Foster's query re the date of the official observation of the war anniversary, states that Sunday, Aug. 4, is the day, it is not yet known what the local clergymen will do in connection with their definite plans for Monday, Aug. 5. In conversation with the secretary of the Evangelical Alliance, Rev. J. C. B. Appel, this morning, "The Times" was informed that there had not been any conference on the matter and it was hardly probable any change would be made unless, of course, there was a special public observation on the Sabbath. The alliance felt it would be better to hold the mass meeting in Imperial Theatre from 2 to 3 o'clock on Monday, Aug. 5, thus giving people of all churches the opportunity of attending without interfering with their devotions on Sunday and also because it would give the clergymen liberty to attend in a body. It is possible the committee in charge of the anniversary and those booked for the 5th will meet and discuss the matter.

ALMOST READY FOR BASEBALL LEAGUES
It is about time to begin forming up leagues of senior and junior boys of the south-end to play ball on the new south-end playing field. It will be necessary to form leagues in order that there may be no clash as to time of games. For playground purposes the south-end includes practically all of the city south of King street, or the whole of Sydney, Dukes and Queens wards. The boys should get together and form teams, as the new ground will be ready in less than two weeks. Had sufficient volunteers help been given it would be ready now.
About fifteen volunteers with teams and teamsters were at work last evening, and considerable grading was done. The ground shows up now, and it is plain to everybody that there will be ample space for baseball and athletic games. There is still a good deal of work to be done, but the heaviest is over. There should be many volunteers every evening until all is done, for the south-end will really have a fine playground in over within two weeks.

PAMDENECC HONORS RETURNED SOLDIER

The residents of Pandemec on the river-C. F. R. line, honored George C. Teed, recently returned from the front, by calling upon him at his mother's summer cottage last evening and presenting to him an address and a gold watch fob suitably engraved. The committee who represented the large number of subscribers was headed by Mr. Jack Edwards, J. H. Hamilton, Donaldson Hunt and Daniel Walker. Sergeant Major Edwards made the presentation.
Mr. Teed, who was taken by surprise, thanked the community heartily for this mark of good-fellowship and wished that the committee would convey his sentiments. The young soldier, who had the misfortune to lose his father during his absence at the front, went over with the 11th battalion and was later transferred to the Fighting 20th and saw a lot of hard fighting. He is now employed with the Imperial Oil Company. The Pandemec folks have similarly honored several other of "their own" boys as they call the summer residents back from the war. The tide of community spirit runs high and strong in the pretty hillside hamlet.

NAVAL FUNERAL IN THE CITY TODAY

St. John has its first wartime naval funeral in the burial of Naval Cadet Edward Thurston Lee, victim of the recent drowning accident off Gouda Point, from the Mission Church St. John Baptist this afternoon. The presence of the bluejackets and the gold braid of naval officers was a moving tribute to the aspirations of the late youth to become a defender of the empire on the sea.
A detachment of sailors under Lieut. A. J. Mulcahey, some petty officers and a bugler attended and six of the bluejackets bore the pall. The coffin was wrapped in a Union Jack. Besides a concourse of civilians—the large circle of relatives and wide acquaintanceship of the Lee family—there were representatives of the land forces and many mourners in uniform when the late led was friendly with. The Navy League paid its tribute to the cadet by placing a floral anchor with navy blue colors and badge of the league upon his bier and grave. The floral remembrances were numerous and very lovely. At the Mission church a solemn service was conducted by Rev. J. V. Young and interment was made in Fernhill, where a naval firing party also paid the final honors.

JUDGMENT ON FRIDAY

The case against two young men for alleged automobile speeding and resisting the police was resumed in the police court this morning. The witnesses today were Robert J. Armstrong, John A. Pugsley and Harry Needham. Mr. Armstrong corroborated the evidence of a previous witness as to the speed of the car. Mr. Pugsley was called as an expert to say whether or not a car could pick up sufficient speed in twenty-five feet to turn a corner at the rate of twenty-five miles an hour. It all depended on the condition of the car, he said, and he did not know what this car was like. Mr. Needham said he saw the car occupants jump into the auto in front of Turner's oyster shop and speed towards Union street.
E. S. Ritchie urged that none of the prosecuting points had been proven. The resisting charge had not been established, the speed of the car was still unknown and he contended that the arrest was not justified as the policeman had not seen the alleged offence.
The magistrate will deliver judgment on Friday.

A WELCOME TO ST. JOHN MEN NOW MONTREAL DOCTORS

Their Presence a Feature of The Annual Meeting of The N. B. Medical Society

The thirty-sixth annual meeting of the New Brunswick Medical Society was resumed in the council chamber of the Court House, King Square, this morning at 10 o'clock, the president Dr. F. R. Wetmore, of Hampton, in the chair. About twenty-five physicians were in attendance and from hour to hour additional local methods dropped in from the daily round of calls to bear some of the interesting proceedings. Hon. Dr. W. F. Roberts, Minister of Health, for New Brunswick, was present for while, also Dr. Alva H. Gordon of Montreal.
The forenoon's session was opened with matters of new business, unfinished business and the reading of papers and relating of experiences with special cases. A paper prepared by Dr. W. D. Rankine of Woodstock, dealing with "Urinary Troubles in Children" was read. The author was unable to be present.

Dr. A. E. Macaulay of St. John, read a thoughtfully prepared paper on "Cystology" and Dr. L. G. Penault of Campbellton, exhibited examples in his discussion of cases of "Calculus of Prostatic Urethra and Cancer of the Transverse Colon."
Dr. H. L. Abramson, St. John Hospital, the new appointee under the New Brunswick Health ministry, read a paper of special moment entitled "Vaccination Against Experimental Polymyositis."
The session adjourned at 1 o'clock.

Dr. R. E. Powell, Montreal, was tendered a lunch at the Union Club by his father, H. A. Powell, at which there were about a dozen medical guests.
The presence at the meetings of Drs. R. E. Powell and A. H. Gordon—two St. John boys—was an added pleasure to the home guard of medical men. Both young physicians have attained much prominence in the Canadian metropolis.
Doctor Gordon is a son of Rev. Dr. J. A. Gordon, formerly pastor of Main Street and Leinster Street Baptist churches in this city. The boys had their early education in the public schools here and were always high in the list when the examiners' marks were given out.

When the family removed from this city two of the boys—John and Alva—had completed a successful high school course. John is now a prominent business man in Charlottetown, P. E. I. and Alva, one of Montreal's most prominent medical men. Another son, Peter, was in newspaper work here and now has a position high in the employ of the Imperial Oil Company, in the city of Saskatoon, Herbert, the fourth son, is over-sea fighting the enemy's battles where Walter, the youngest boy, gave his life in the great cause.
Doctor Gordon is regarded as one of Canada's leading doctors. His paper last evening entitled "A Basis for Symptoms" was considered a most helpful and masterly effort. His visit here has been marked by the hearty renewal of old time friendships. He is accompanied by Dr. Doctor Gordon will return to Montreal this evening and Mrs. Gordon will visit in Windsor, N. S.
