**CITY WATER BOARD**

**Tenders to be Worked Out—Request for Wages Increase—A Variety of Matters**

At a meeting of the water and sewerage board last night tenders for supplies for the department were opened and most of them were referred to the chairman and engineer to figure out, on the understanding that the lowest be accepted. Those present besides the chairman, Ald. Wigmore, were Ald. Smith, Green, Wilson, Hayes, Elkin and Scully. A petition from the employees of the department asking for an increase of pay to \$2 per day was referred to the engineer. The matter of a public sanitary in Market square was referred to the engineer. A deputation from Sand Cove road was heard in reference to a request for an extension of the water service there. It was said there were eight houses on the road which would be sufficient to supply these houses, the cost of which would be \$1,400. To lay a twelve inch pipe would cost \$2,600. It was finally decided to recommend that the work be done provided the residents pay six per cent. on the entire outlay.

It was decided that the water rate on the east side and in Lancaster be the same as last year and catch basins be placed in King Square near the fountain.

W. I. Panton was given permission to connect with the city sewer at City Line, Carleton, Edward Nelson's claim for damages during the Loch Lomond extension was referred to the engineer.

It was decided that the main sewer in Carleton be laid in Lower street between City Line and Lancaster streets. The recommendation for a public sanitary in Market Square to cost \$1,800, was referred back to the engineer for a further report.

All water works employees were granted fourteen days' vacation. It was decided to place catchbasins in the following streets, German, Waterloo, Victoria and Albert streets. The sum of \$1,000 more was granted for the construction of the St. John street, Carleton, sewer.

It was decided that water be supplied to L. G. Crosby's premises on the Marsh Road, he to pay 10 per cent. of the outlay. A petition for more pay from the teamsters and other employees of the department, the former to \$2 a day, was referred to the engineer. A communication from George E. Day asking that the Park fountain be referred to the engineer. Ald. Hayes was added to the committee in place of ex-Ald. White.

Tenders for supplies were next opened. These were as follows:

Cement—P. McAvity & Sons, Ltd., Canadian Portland cement in barrels, \$1.75; the same in bags, \$1.90; English cement \$1.85. W. H. Thorne & Co., Ltd., Portland cement per barrel, \$1.75. A. M. Rowan, \$1.66. Gandy & Allison, \$1.78.

**GOOD ARRANGEMENT FOR SUMMER TIME**

**TABLE ON THE I. C. R.**

The Intercolonial railway will change its time table on Sunday, June 4, and all trains in and out of St. John on Monday will be governed by the summer schedule. No. 2, the morning express, will depart at 7:10. The morning suburban will leave as last summer at 9, and will prove a great convenience for those who desire to spend a day in the country picnicing or visiting friends who have country homes. No. 4, the Boston train for Pt. du Chene, will depart at 11:30 a. m. and will carry the through sleeper to connect at Moncton with the Ocean Limited for Quebec and Montreal. No. 26 express will arrive as usual at 12:40 p. m., but at Moncton will be merged into the Ocean Limited for Halifax, reaching there at 10 p. m. The other trains will depart on the same time as last summer except No. 124 express, the connection for the Maritime, which will depart at 6:35 p. m., five minutes later than at present.

The arrivals of trains are the same as last summer. The Maritime connection will reach St. John at 10:40 a. m. No. 3 express carrying the through sleeper from the Ocean Limited, will arrive at 6:35 p. m.

The suburban trains will give a convenience the traveling public between St. John and Hampton. Suburban time tables may be obtained from George Carvell, city ticket agent.

**The Evening Chit-Chat**  
By RUTH CAMERON

**A** LETTER came to me the other day suggesting that I make the condemnation of a certain religious faith and an appeal to all loyal Americans to try to out those who hold it, from their positions of power in this country, the subject of one of my talks.

I have tried assiduously to think of any subject which I should be less likely to write upon, but I cannot.

I know of nothing that more thoroughly puzzles and disgusts me than that sort of thing.

Why one man should be unwilling that another man should follow the dictates of his own soul as to what God is and how He should be worshipped—as long as his beliefs do not interfere with his conduct as a citizen—is simply incomprehensible to me.

I was once asked to write for a publication which makes its avowed purpose the blackening of a faith to which millions of my countrymen are devoted. If I were starving and this magazine should offer me a dollar a week to write "I hope—hope—I don't dare to put it any stronger than I can—that I should have the strength of my convictions and should refuse to write the article."

The existence of such a magazine and the existence of the spirit behind it, is a disgrace to this country, founded as it was by men who came here seeking not wealth or power, but simply "free love to worship God."

That a man who believes he has the right idea about God and eternity should want to communicate his great secret to other men seems perfectly natural to me, but that he should grow furiously angry and embittered because other men think they have the right idea about God and eternity seems to me a lot of men to kill and maim and wound each other, thinking by this killing and maiming and wounding to settle a question of right and wrong.

I must confess I respect a genuinely honest atheist or agnostic who lives as close as he can to his ideals and honors other men's faith, more than this kind of a Christian; for, with Tenyson, I believe

"There lives more faith in honest doubt,  
 Believe me, than in half the creed."

**BORDEN TO PLAY BOTH ENDS OF THE GAME**

Ottawa, May 31.—Hon. Frank Oliver, minister of the interior, will leave for Winnipeg on Sunday night to open a series of public meetings on the reciprocity issue throughout the prairie provinces in advance of the opposition leader, who leaves for the west on June 15.

Mr. Oliver will probably be accompanied by Hon. William Paterson, one of the negotiators of the agreement at Washington. The itinerary has not yet been definitely arranged, but it will include the chief centres of the west, covering most of the points at which Mr. Borden will speak.

To avert attention from his stand on reciprocity, Mr. Borden has prepared an Ottawa platform for the Conservative party. It is prepared with an eye to capturing western votes and will be disclosed at the Winnipeg meeting on June 19.

He proposes government construction, ownership and operation of the Hudson Bay railroad.

Government ownership and operation of the terminal grain elevators.

That the natural resources of Manitoba, Saskatchewan and Alberta, such as timber and water power, should be handed over to the provincial authorities to administer.

That the duty on agricultural implements should be further reduced.

That the British preference should be increased.

As the time approaches for Mr. Borden and his associates to start for the west to denounce reciprocity to the grain growers, apprehension is developing in the minds of the opposition leaders. Word has come to them that their reception is not likely to be as cordial as they hoped.

Mr. Borden fears that he will have a good many more lively experiences of an unpleasant nature at his meetings than Sir Wilfrid had last summer and measures are being taken to anticipate and prevent them by making promises, which, if intended only for eastern consumption, would never be given.

Nothing is so wearing as an effort to get along with people who grate on your nerves

**STOPS ITCHING HEALS THE SKIN**

And Cures Eczema, Salt Rheum, and All Skin Diseases—These Results You Can Be Sure of When You Use

**DR. CHASE'S OINTMENT**

Quick and certain are the effects of Dr. Chase's Ointment. Itching is stopped almost as soon as it begins. The sores are cleaned out, and the skin is treated, and the healing process is soon in action.

Compare these results with the tediousness and uncertainty of internal treatment for itching skin diseases. By all means look after the health of the blood and the system generally, but get rid of the annoying and torturing skin ailment at once by using Dr. Chase's Ointment.

The reputation of Dr. Chase's Ointment has been made by its marvellous success in the cure of eczema and piles. But it is just as effective in the cure of old sores and wounds which have refused ordinary treatments and been given up by doctors.

Dr. Chase's Ointment is prized by mothers as a treatment for the skin troubles of babies, such as chafing, skin irritation, scald head and baby eczema. Its soothing influence stops the itching and it prevents the development of eczema from these lesser skin troubles.

Mr. Oscar Vanocott, St. Antoine, Sask., writes that Dr. Chase's Ointment cured her boy of eczema when his head was a mass of scabs, and he suffered untold agony from the itching. Dr. Chase's Ointment, 25 cents a box, at all dealers, or Edmanson, Bates & Co., Limited, Toronto.
