

King's Messengers' Mission Band.

We have now been formed as a Society for a little over two years, and are glad to be able to state that the interest in the work is steadily increasing, there being now forty-five names on the roll.

During the year we have raised in various ways, \$98.90, which includes the thank-offerings at the annual meeting in December.

We now pay for the monthly *Leaflet*, which we formerly received free.

We hold our meetings regularly the first Monday evening of each month, and extend a cordial invitation to all young women of the congregation who have any desire to help in the work to join us.
