AGRICULTURE

Notes and Suggestions of Practical Utility FOR THE FARM, FIELD, GARDEN AND DAIRY.

Cleanings of Interest for Our Country Readers. The farmer's troubles are pictured thus: "The chinch bug eats the farmer's grain."

A Georgia woman has been awarded a diploma and a gold medal for her invention of a bread raiser.

A woman in Dunkirk, N. Y., conducts an extensive laundry and locomotive-building establishment.

One of San Francisco's finest hotels is kept by a woman. It is claimed to be the best family hotel on the Pacific coast.

When the conditions are favorable for the sowing of alfalfa, there is quite possible for the silo silage to rot also.

Glycerin for Affections of the skin. Glycerin is very extensively used in the treatment of affections of the skin.

The Jersey Bulletin learns that the American Jersey Cattle Club has increased \$55,000 of its money in a home for the club.

At the New Hampshire experiment station they found that from their best cow it cost about one and one-half cents a quart.

The Columbia Herald, Tennessee has its opinion of the Jersey bull calf. It says: "He is a nuisance on legs."

The question of color of butter came up for discussion at one of the New York institutes. The reply of president Gilbert was: "When we have customers who want colored butter we measure both cream and butter before mixing."

"There," he said, when he had finished the ceremony, "ye can go now; ye're man and wife every one of ye."

In the manufacture of tobacco from the leaf sugar or molasses and gum of some kind are used.

The largest greenback issued is a \$10,000 bill, and only one such note has been printed by the government.

For stiffness and strains rub with Johnson's Anodyne Liniment, and then bind in flannel.

PARAGRAPHS

On All Subjects of Current Note at Home and Abroad.

Clipped and Condensed for the Readers of The Globe. The room in which Napoleon I. died is now a stable.

Eighteen hundred pounds of gold goes into people's teeth every year, put there by the dentist.

From Jan. 2 to Aug. 12, 185 people were killed by the railroads in Chicago and several hundred injured.

It is estimated that nearly 20,000 pounds of bread are daily eaten in the Sultan's of Turkey's household.

Bricks made of plaster of paris and cork are now used in the construction of powder mills.

Miss Margaret E. Sangster, the editor of Harper's Bazar, is entitled to write M. A. after her name, having received the compliment of a degree from the University of Quebec.

A number of relics of Lord Byron were recently sold in London at prices which showed an abatement of the poet's celebrity.

Ivan Aivazovsky, Russia's great artist, who has just celebrated his 70th birthday, will soon sail for America by way of Havre.

Miss Whitney, the sculptor, has completed the bust of Mrs. Lucy Stone, and has sent it on to Italy to have it put in marble.

A new novel is announced entitled "Cross Currents," by Miss Mary Angela Dickens, granddaughter of Charles Dickens.

A cannon ball fired from a piece of modern ordnance would reach the moon (240,000 miles distant) in 12 days.

A machine for milking cows is described by the inventor as possessing "two pairs of elastic and leather-roller segments, having rocking, approaching and receding movements."

A well known citizen of Troy, who always summers in his native place, Bennington, is having his own grave dug in the beautiful cemetery at Bennington Centre.

Philadelphia Visited by a \$500,000 Fire This Morning. A fire of unknown origin at Philadelphia last week totally destroyed the big mill owned by the William Arrot estate.

JINGLES OF HEIRLOM.

A Little Nonsense Gathered for Leisure Reading.

Next-door neighbour (wistfully): Couldn't you manage to have a little less of your daughters' dust playing?

The young lady graduate explained to her particular friend the other day that "He kicked the bucket" was slang, and the polite expression was "He propelled his pedal extremities with violence against a familiar utensil used for the transportation of water."

"No, dear," says Maria, calmly, "I won't walk; but if you are not at home then, I'll come after you."

"Very little credit is due to him for that, my dear. Whenever I see that I am not likely to be ready in time I simply hide his hat or his gloves out of the way, and let him hunt for them up and down until I have finished dressing."

"I know now," remarked the young man who was used for remark of promise, "why they call it 'courting.'"

"You were always a fault-finder," growled the wife.

"I'm very glad to have been of any comfort to your husband, my good woman. But what made you send for me, instead of your own minister?"

"Well, sir, it's typhus my poor husband's got, and we dinna think it is just right for our ain dear minister to run thier's."

Jennie Wilson Was Accused of Stealing and Subsequent Escape With Gas. The Boston Globe says: Jennie E. Wilson, 25 years old, whose home is in Halifax, N. S., has died at the undertaking rooms of J. Tinkham on Howard st., having committed suicide.

Miss Wilson is a handsome blonde, and was employed until recently as a chambermaid by a lady living in the Hotel Winthrop, on Bowdoin st., West End.

The deed was evidently caused by melancholia.

Yesterday she was accused by her employer of stealing, although she denied the accusation.

She left the premises, only to return again last night unknown.

Her parents were notified.

Both legs cut off by a Train Near Harvard Street. The body of an unknown man with both legs cut off near the abdomen was found on the tracks of the New York & New England railroad near Harvard st., Dorchester.

The body was removed to the city hospital morgue.

The man was apparently 35 years old, 5 feet 6 inches in height, smooth face, dark complexion and wore a checked suit.

In his pocket was found an insurance policy on the life of John Mann, a pedler, living at 28 Fayette st., Lowell.

His pockets also contained cards bearing the name of Will Bell, 13 Central block, Lowell.

Ellison, it is said, is perfecting a photographic clock which is destined to surprise tardy visitors. It can be set for any hour—say 11 p. m. When the hands indicate this hour, the visitor is startled by hearing a voice from the clock proclaim, "Time for bed! Time for bed! Go home!"
