## HILLSBORO GIRL FOR WEST CHINA

Mount Allison Will Support a  
Missionary.  
Methodist General Board Sends Out  
Sixteen Missionaries—First  
Women to Be Sent.

TOLENTON, Sept. 14—A farewell service to be held in the street church Tuesday evening for the outgoing missionaries of the Methodist church appointed to Szechuan, West China. The general board is sending out sixteen young men and young women, ten of the men being accompanied by their wives, in several cases brides. This is the first year in which the general board has sent out any women missionaries, and there are three of these. The Women's Missionary Society is also sending out three missionaries, Miss Speers, of Brandon, Man.; Miss Virgo, of Sarnia, Ont.; and Miss Lottie Lewson, of Hillsboro, N. B. A farewell will be tendered to these at the time of the board meeting, which takes place in Carleton street, church, a week from Tuesday. Members of the board sent out by the general board, with their designations and means of support follow:

Ethel B. Plewman, nurse, supported by her own family.  
Mary E. Switzer, nurse; Leah A. Ker, teacher for missionaries' children; Parker M. Bayne and wife, science teacher, supported by Mt. Allison church; Arthur B. A. M. D., and wife, medical missionary, supported by Mt. Allison church; Rev. D. M. Perley, B. A., B. D., evangelist, supported by the Cobourg church; Rev. A. F. Quimby, and wife, evangelist, supported by the Herin Methodist church; Rev. Arthur Hookin, B. A., and wife, evangelist, supported by the Nova Scotia Conference Epworth League; M. A. Billinger, Ph. M. D., and wife, medical missionary, supported by the Toronto school of the Central church; Rev. E. R. Brecken, and wife, evangelist, supported by the Brandon, Moosomin and Yorkton districts; Rev. Walter Small, mission builder, supported by Mt. Allison church; Rev. W. B. Albertson, M. D., and wife, medical missionary, supported by the Brandon, Moosomin and Yorkton districts; Rev. H. H. Irish, and wife, evangelist, supported by the Sunday schools of Manitoba; E. Edgar Plewman, missionary printer.

## GLORIOUS WEATHER FOR THE FIRST DAY OF ST. JOHN'S BIG EXHIBITION

A Cloudy Morning Developed into a Perfect Day  
---Large Attendance is Expected---All is  
Complete Now---Exhibits of Live Stock are  
More Numerous Than Ever

Although the morning up to ten o'clock was cold and showery, the attendance at the exhibition today is most encouraging. The weather cleared a couple of hours before noon and it was not long before the visitors began to arrive in large numbers. All during the early hours of the morning a large staff of carpenters and decorators were busy completing booths and putting the finishing touches on the interior of the buildings.

The weather this afternoon is perfect, and it is expected the attendance will be very large. All the amusement features are on the ground, and will be in full swing both afternoon and evening. The judging of the cut flowers and plants will take place, but will come off this afternoon. The yacht race and salmon boat race started from Read's Point at noon and made a very pretty sight. The result of the race will not be known until after three o'clock. The entries in the live stock departments are the largest in the history of the exhibition. There are 460 entries alone in the cattle exhibit, which exceeds that of the last show by over 300. All the sheds are taxed to their utmost. The entries in the sheep exhibit are so numerous that there was no accommodation for over 70 of them. Carpenters were put to work and put up extra stalls. All the horse stalls are in use and it is feared that local owners of horses will have to keep their animals at home in the barn, until the day of the judging. In the poultry yard there are 1,200 birds. The Hart's in Donkey yards have the largest individual exhibit, about 255 of their birds being entered. All day Sunday the entries in live stock were arriving. About noon the boats finished with the time at which they crossed the line—

## MONA WON SALMON BOAT RACE; OVERLA LED IN YACHT RACE BUT POSSUM WINS ON TIME ALLOWANCE

Winning by a margin of only five seconds, John Froehman's salmon boat Mona captured the first place in her race with the "Carrie Nation," owned by A. Cunningham, of Lorneville, second. Promptly at 11:30 this morning the gun was fired and the nine boats got away together with a good breeze and a comparatively smooth course. Their course was unobstructed and they were all in the lead. From starting line of Read's Point Wharf, out main channel, leaving Partridge Island and the bell buoy, thence S. E. to combination gas and whistling buoy 1/2 miles off Partridge Island, leave this buoy to starboard, thence to finishing line at Read's Point wharf, leaving Partridge Island and bell buoy to port. This course is about two miles in length. In a little less than two hours and seven minutes the Mona crossed the line with the "Pisario" boat right on her heels. The following is a list of the boats with their owners and the time they crossed the finishing line in their order:

Mona, J. Froehman.....	1:36.48
Carrie Nation, Cunningham.....	1:38.53
Bonnie Jean, S. Ferguson.....	1:41
Wabens, McDonald and Bissett.....	1:41.23
Chinook, Church Bros.....	1:41.48
Fronto, J. H. Dooley.....	1:48.05
Chryse, Frank Nie.....	2:00
Nellie M., S. McGuire.....	2:00

A Cunningham, owner of the Mona, claimed victory near the bell buoy he had the lead, but gave way to the Mona to avoid an accident, thus losing the race. He did not enter an official protest, as he had given way voluntarily. The race aroused a lot of interest among the winners were warmly congratulated. The chief interest of the day centred on the yacht race and as a race it came well up to the expectations of the spectators. As was expected the "Ulva," owned by Mr. Van Horne, crossed the line first. She is, however, much larger than any of the others, her length being about forty-seven feet and it is likely that the race will go to the "Possum," which crossed the line second, on the time allowance. The "Canada," which got across next, will probably take second place. The "Ulva" was not measured until late this morning and in consequence of this the time allowance for the various boats was not figured out before the race. This will be done this afternoon and the result of the race announced this evening. The following is the order in which

## DOMINION COAL CO., CLOSES A COLLIERY

SYDNEY, N. S., Sept. 14—The Dominion Coal Company closed down the east slope at colliery number five, and are also making other changes in their staff. This action of the company was made necessary by the increased cost of the production of coal, the present depression affecting the demand for coal. About four hundred men will be affected by the closing down of this colliery, many of whom will be given work at other collieries, the others being natives of Newfoundland who usually return home at this season. Twenty-five members of the Sydney Fire Department, in charge of Capt. Metcalf, and Lieut. P. McMillan, left on Saturday to take part in the Firemen's Tournament at Chatham, N. B. The Sydney running team is very fast, and will likely make some new records in the events there this week. Lauchlin McQuarrie, a prominent resident of this city, died this morning at St. Joseph's Hospital, Glace Bay. The deceased was operated upon on Friday for cancer, but could not survive. He was in his 56th year, and leaves a widow, three daughters and four sons.

## OLD ENOUGH TO KNOW BETTER

Unrequited Love Results in  
Shooting.

Edward Cunningham, Aged 42, Reputed  
by 18 Year Old Charmer, Uses  
Rifle on Girl's Protector.

NEWPORT, N. H., Sept. 14—Infatuated with a young woman whose parents objected to his intentions, Edward Cunningham, of Franklin, formerly of Lowell, Mass., aged 42 years, Saturday night tried to force his way into the home of Sarah Seavey, aged 18 years, at Gault, two miles from here, and being refused, and fired upon by Elton Stickey, returned the fire, seriously wounding Stickey and making his escape to the woods. Sheriff King, of Sullivan county, was notified and sent out notices for a posse to meet tomorrow and scour the woods in search of Cunningham. Cunningham, who is a mill operator, called at the Seavey home early Saturday and invited Miss Seavey, with whom he was in love, to go to walk with him, but her father objected and Cunningham went away. At night he returned to the house and again saw Miss Seavey. The girl's mother met Cunningham at the door and when she refused to allow him to enter the house he grappled with her. Elton Stickey, aged 20, who was in the house, heard the disturbance and came out with a revolver with which he drove away Cunningham, firing several shots at him. It is claimed, Cunningham fled to the edge of the woods nearby and just before disappearing turned and fired at Stickey, hitting him in the body. Stickey is expected to recover.

## ST. MARTIN'S PEOPLE HAVING PLENTY OF EXCITEMENT

ST. MARTIN'S, Sept. 14—The foolish actions of George C. Brittain, an aged shoemaker, continue to alarm the residents here. On Friday, he attempted to commit suicide by walking out into the bay. Early this morning he became so violent that his nephew had to call in a neighbor to assist him in the care of the old man. At 4 a. m. Brittain became calmer and went out doors, supposedly for a few minutes, but did not return. Search was started, but nothing could be learned of his whereabouts. Numerous stories were in circulation as regards suicide. About 1:30 o'clock a searching party of 15 men and boys was organized. About 4 o'clock the old man was discovered on the Klondyke road, about two miles from the village, alive, but in a much exhausted condition. Claude Gilmour and Arthur McDonough came across Brittain on the road about 150 yards from the river. He is being first attended over tonight by Frank Bradshaw and will be taken to the Provincial Hospital at Fairville today. Last night Mrs. Wilfred Brown was thrown from her carriage while driving with her husband here. She was badly shaken up, and taken to Dr. Balley's office and remained in a semi-unconscious condition for more than an hour. At latest reports Mrs. Brown was resting easily. She resides at Bay View, about two miles from the village. Rev. Mr. Cracknell, pastor of the church of England here, received a nasty scalp wound while working a patent exerciser last night. The string by which the cord is attached broke and the heavy part hit the reverend gentleman on the head, making the blood flow freely. It was necessary to call surgical aid. Although suffering very great pain Mr. Cracknell was able to fill his engagements here today.

## THE LAURENTIC LAUNCHED

LONDON, Sept. 12—The Laurentic, the new White Star service between Britain and Canada, was launched at Belfast today. When completed she will be a single-funnelled two-masted steamer of 14,500 tons gross register, the largest vessel in the Canadian trade. She is 265 feet in length, with a beam of 67 feet 4 inches, and in addition to 150 first-class passengers will carry a large cargo, giving strength and security and providing space for water ballast. The vessel has also water-tight bulkheads, dividing her into ten watertight compartments. She is the first passenger steamer to adopt a combination of reciprocating engines with a low-pressure turbine. This arrangement of machinery constitutes the vessel a triple-screw steamer, the wing propellers being driven by the reciprocating engines and the central one by the turbine. The object is to retain the advantages of the highly-perfected balanced reciprocating engines, and at the same time get the benefit of the further expansion of steam in a low-pressure turbine, while avoiding the necessity for an astern turbine, which is essential in steamers fitted with turbines only. The Laurentic's sister ship, the Megantic, will shortly be launched also from the Harland and Wolff yards at Belfast. She will be a twin-screw steamer, propelled by reciprocating machinery alone.

## WANTED VENGEANCE FOR DEATH OF A CHILD

QUINCY, Mass., Sept. 12—Pamela Galer, seven years old, the daughter of William Galer, was struck and killed by an electric car on Border street tonight. Immediately a mob gathered upon the car and threatened vengeance upon the motorman, Stephen Emmet. Three police officers were riding upon the car at the time and they immediately placed the motorman under arrest and protected him from the mob. He was later placed in the Quincy police lockup and charged with manslaughter. Passengers on the car, it is claimed, state the accident was almost unavoidable.

## MURDER AND SUICIDE

ALBANY, N. Y., Sept. 14—What appears to the authorities of Albany as a murder and suicide occurred early this morning on the Troy Road, just outside of Albany. The dead body of Michael J. O'Leary, aged about 45, a saloon keeper of Albany, was found lying on the floor of the kitchen in the home of W. A. Wilkinson, his brother-in-law. Nearby in a chair was the dead body of Mrs. O'Leary. Both received bullet wounds in the head. The police believe that following a quarrel O'Leary shot his wife and then killed himself. On the floor beside O'Leary's body was a 22 calibre revolver. Coroner Baxter, of Waterville, was called, Mr. and Mrs. O'Leary were married about a year ago.

## LATEST WEATHER REPORT FINE and COOL

360  
Square Feet  
two coats to the gallon, that's what  
**THE SHERWIN-WILLIAMS PAINT**  
will cover. And on a good surface it will cover more than that. No paint will do better, and very few paints will do as well. Maximum covering capacity, easiest spreading qualities, longest wear, and greatest economy are what we claim for S. W. P. It's the one safe paint to use. Always gives satisfaction. If you want to save money in painting let us show you the way. We sell paints for all kinds of good painting.

189 to 207 Union Street

## MONKTON LAD FALLS BREAKING BOTH ARMS

Forward Movement of First Baptist Church of Moncton Results in Burning of Bonds  
MONKTON, N. B., Sept. 14—Claude Day, aged fourteen years, son of Gordon Day, met with a serious accident Sunday afternoon. He fell from a tree, breaking both arms. The lad was playing with companions in the woods climbing trees. Bonds representing fifteen hundred dollars debt on the Moncton First Baptist church, were burned at the close of the service in that church this evening, in the presence of a large congregation. The ceremony was participated in by several members of the church, who took a leading part in its forward movement. Those touching light to the bonds were: Erasmus Stevens, Chas. Fairweather, and David Steves. This is the first result of the movement begun some months ago to wipe the debt of the church. The balance of the bonds are to be burned soon. Edward H. McKeever, a well known barber, son of Bernard McKeever, is to be married Tuesday to Miss Stella May McNeil, of St. John, the ceremony to take place in St. John the Baptist church. Olive Legere of St. Marys, Kent Co., while returning home from Moncton last Friday night, was a victim of a bad runaway accident. In going down a steep hill at Irishtown the neck yoke broke and the horses attached to the heavy express cart ran away. Legere jumped and sustained a broken leg and a dislocated ankle besides otherwise being shaken up.

## BRITISH CONSUL TO WATCH GERMAN MANOEUVRES

COPENHAGEN, Sept. 14—The British government has sent a diplomatic consul to Frederica, in Jutland, whose special mission is to observe the manoeuvres of German ships in the Baltic waters. The British Vice-Consul in Denmark most of whom are Danes, received instructions recently to report to the Home Government all movements of German warships. It is reported here on good authority that the British government proposed to send a consul to Frederica, but Germany refused an exequatur on the ground that the British consul at Kiel was a Dane.
