Evacuation of Manchuria Will Be Delayed---

LETTERS FROM THE PEOPLE *******

[To correspondents-Write on one side of the paper only. Send your name, not neces-sarily for publication, with your communi-cation. The Sun does not undertake to re-turn rejected manuscripts. All unsigned communications are promptly consigned to the waste basket.]

To the Editor of the Sun:

Sir-In your issue of the 26th instant, under the heading "The Chamberlain Fiscal Policy," the writer, reterring to the report of a meeting held at Sussex, N. B., says: "I tried simp-ly to say that the question before the new prevents Canadian markets from British electorate at present was one that concerned not only their home in-terests, but more largely those of the optime and New Hampshire, and after travelling a great deal in both States I have no hesitation in saying that a entire empire, that when this question came to the polls the English voter On Oct. 19th at Bristol, N. H., No. came to the polls the English voter would declare by his vote whether he brought 80c, per barrel; other grades was in favor of the consolidation or the disintegration of the British emthe opinion that our British connection keeps us out of a market that would afford us \$12 per head more than we how set on the average for whether the average for the set of th how get on the average for our beef cattle, that would give us 10 cents per bb. more for our wool and a better but as each barrel had to be opened market for many other items of pro- for inspection and the man offered to market for many other items of pro-duction, and that while we are thus placed at a disadvantage on this side of the water there is not one compen-sating advantage given us on the other." In conclusion he says: "For 117 years the builders of Canada have had be-fore them the vision of a great na-tion and the man offered to head them after examination, what was wrong? Only a New England boycott! The poor wretch had doubt-less at some former time taken his few barrels to Boston or elsewhere in the attempt to get a little something for them, and had found his net result disapoolniting. He could still pedde

fore them the vision of a great na-disappointing. He could still peddle tionality on the northern half of the them in a village of 2,000 people, where American continent under the British prown, and they have cheerfully under-gone hardships, sneers and rebuffs to tries, or he could take them to the grocers and leave them for sale. They take no risks, "If we sell them you soon have a chance to recognize the can get groceries for them; if not, re-Canadian position, and if she will not, move them when they commence to it will then become a question as to whether loyalty to Canada will permit Canadians to longer continue their past and present aspirations. Why, if Britain plainly shows us that she cares no more for our trade and prosperity than that of foreign nations, should ment?" Is it fair to the British voters to

is it fair to the British voters to state so dogmatically that if they de-tate against Mr. Chamberlain's policy for sale with a man in the village, and when submitted the first time they are in favor of the disintegration of the British empire? Mr. Chamberlain hopes for a favorable reply to his appeal, but after the wonderful feeling price. Truit he is hardly the man to give up, if the first decision of the elected

fore they reached Gay Head and came back and anchored in the Sound.

NOTICE TO MARINERS.

NOTICE TO MARINERS. NEW YORK, Dec. 23.— About sixty feet straight out from Old Liberty Island dock, on the Battery, the tug Charles R Norman, on Dec. 22, struck a submerged wreek or other obstruction, losing her propeller wheel. The buoy previously reported as placed on Burnt Island Ledge, Me, proves to have been one which broke away from its moor-ings on the Point near the quarries and dritted there. A new buoy has been placed on the Point, but the Burnt Island Ledge is still unmarked. still unmarked.

Reports.

VINEYARD HAVEN, Dec. 24 .- Sch Mary Brewer, from Hoboken for Rockland, Me., with coal, while entering the harbor during the night, collided with sch St Croix, from Port Reading for Boston, at anchor in the harbor. Both vessels lost jibbooms, and the St. Croix had her bow rail carried away. Temporary repairs will be made here.
