The Policy Holders ent tlop to participate the the Profits, who completed their fifth year before the date of balance, will be entitled to a Reputriex of 35 per cent. (7s. per ls.) from their next Annual premiums.

From the increasing wealth and importance of British North America, as well as the example of other Assurance Offirs, the Directors have for some time entertained the idea of establishing Branches there. They have been enabled sines last meeting to accomplish this. A deputation from the Directors visited the chief fowns, and secured the co-peration of influential gentlemen in each Province. Although the Branches have been in operation only for a few months, the transactions have already been considerable, as well as of a most satisfactory description Special thanks are due to the gentlemen acting as Directors, Agents and Medical Officers, who have already interested themselves much in the Association's affairs, and through whose exertions there is every prospect of permanent success?

The Report by the Board of Directors was unanimously approved. The vacarcies in the Board were then filled up; and after special votes of thanks to the Directors at the Head Office and Branches, and the Agents, Medical Officers, Manager, &c., the meeting separated.
