## FIGHT SCENE NOW SHIFTS TO NEVADA

Kaufman - Langford Match Postponed and All Hope of Further Resistance is Considered Useless.

San Francisco, Cal., June 18.—"On to Reno" is the cry of the fight brigade.

Convinced by the "postponement" of the Kaufman-Langford match that San Francisco definitely has been eliminated as a possible scene of the Jeffries-Johnson fight, positive announcement is expected tomorrow that the "battle of the century" will be fought in Nevada.

Tomorrow night at Reno Tex Rickard will receive bids for the contest from committees representing Reno, Goldfield and Ely. The city offering the most substantial fight inducement, he said, will get the match and the winner will be immediately announced. It is generally said, however, that Reno will be the choice. The laws of Nevada do not prohibit finish fights and no serious obstacle to the staging of the great battle in that state is anticipated. After his turbulent experience of the last few days, a calm appears to have settled over Rickard. Breathing freely once more, he is inclined to rest about his troubles.

Both Jeffries and Johnson are awaiting the word to move. Preparations to break camp have been completed and on Monday morning the exodus of fighters and trainers from Ben Lomond and San Francisco is expected to begin. Tentative arrangements for training quarters at Reno already have been made for both Jeffries and Johnson.

The capitulation today of Louis Blot, promoter of the Langford-Kaufman contest as a result of Governor Gillett's orders to prevent that fight ended a stressful situation.

Blot persists in his assertions that the contest has been merely "postponed" until next Saturday to stage a minor boxing event, against the holding of which he hopes the authorities will take no action so that a profit can be put up to the courts.

Mantell Fight Too.

Sacramento, Cal., June 18.—Gov. Gillett has ordered District Attorney Wackhorst to stop the Mantell fight, which was scheduled to take place Monday night. The promoters of the affair will make no contest.

Santa Cruz, Calif., June 19.—According to Sam Berger, Jeffries' manager, who arrived today with Jeffries, who gave a sparring exhibition at a local theatre arrangements are being made to break the Ben Lomond training camp Tuesday evening.

"We are prepared to be on the move," said Berger, "and the sooner we hear from Rickard the better we will like it. I have arranged for a special Pullman car for Jeffries and his trainers and just as soon as we receive word from the promoters the entire outfit will go to Oakland, where the special will be awaiting them."

Berger believes there was still a slight chance of the fall being held in San Francisco, but he is negotiating for training quarters at Reno.

The quarters probably will be at Moana Springs, about three miles out from Reno.

The only work by Jeffries today was the five rounds he boxed with Corbett and Chynski in his exhibition and a short period of shadow boxing and rope skipping.

But it was Smith's game showing against Ketchel that gave his stock a boom. After the bout Ketchel admitted that Smith is a dangerous man to trifle with. "He can hit as hard as any one I have ever met," said Ketchel, "and properly coached will make a great pugilist."

Special arrangements will be made to have plenty of teams on the road for that day, and it is expected that there will also be a steamer on hand to run between Millidgeville and Indian town for the benefit of those who prefer the water trip. A band will be engaged to play on the pier during the day and to furnish music for dancing in the evening.

A yacht race is scheduled for the afternoon at 2:30 o'clock and will no doubt prove of great interest, while during the day motor boats will ply between the club house and Indian Island to accommodate those who wish to picnic at this beautiful spot.

In the early evening a programme of aquatic sports, such as rowing, swimming, etc., will be carried out, and later all the yachts of the fleet will be illuminated.
